Dear Ms. Dortch:

On February 24, 2004, Cheryl Crate, Vice President of Pegasus Communications and I, a consultant to the company, met with the people listed in the "copies" section of this letter to discuss the petition for reconsideration that Pegasus recently filed with respect to the merger of DirecTV and NEWS Corp. We explained that we respected the staff's work on the merger, and felt that the staff and the public had not been given an opportunity to connect up information relevant to the decision. We discussed the need for more public information with respect to DirecTV's arrangements with Telesat with respect to the 82 WL slot.

Very truly yours,
