RE: International Settlements Policy Reform (IB Docket No. 02-324)
International Settlement Rates (IB Docket No. 96-261)

Dear Ms. Dortch,

On Monday, March 1, Len Cali and I from AT&T and Al Mottur of Brownstein Hyatt and Farber met with Commissioner Martin and Dan Gonzalez, Sam Feder, and Jason Williams from Commissioner Martin's office to discuss the above-referenced proceeding.

During this meeting, we reviewed AT&T positions in this docket, highlighting the issue of high mobile termination rates and the impact these rates are having on US consumers. We also discussed steps the FCC should take to restrain these rising rates, and how past Commission action in similar circumstances has been effective in lowering prices for US consumers.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to read "D. W. Schoenberger".
