In the Matter of)
)
Amendment of Section 73.202(b)) MM Docket No. _____
Table of Allotments) RM No. _____
FM Broadcast Stations)
(Rhineland, Wisconsin))

To: Chief, Allocations Branch

PETITION FOR RULE MAKING

Results Broadcasting of Rhineland, Inc, by its attorneys, pursuant to Section 1.420 of the Commission's rules, hereby seeks the commencement of a rule making proceeding to amend the Table of Allotments for FM Broadcast Stations, 47 C.F.R. 73.202(b), to specify Channel 243C3 at Rhineland, Wisconsin, as an additional local FM service.^{1/} As shown in the attached Technical Statement, this allotment may be made in compliance with the Commission's current separation and allocation requirements. In support thereof, the following is submitted:

1. It is requested that the FM Table of Allotments be amended as follows:

<u>Community</u>	<u>Present Channel</u>	<u>Proposed Channel</u>
Rhineland, WI	248C1, 261C1, 219C1	248C1, 261C1, 219C1, 243C3

2. Rhineland, Wisconsin is a community for allotment purposes. Rhineland, Wisconsin is an incorporated place with a population of 7,735 (2000 U.S. Census). See Revision of FM Assignment Policies and Procedures, 90 FCC 2d 88, 100 (1982) (requirement of an allotment to a community is generally satisfied if the community is either incorporated or listed in the U.S. Census). Channels 248C1, 261C1, and 219C1, are currently allocated to Rhineland, Wisconsin, for FM stations WHDG, WRHN and WXPB.

^{1/} The proposed coordinates for Channel 272C3 at Rhineland, Wisconsin are 45° 30' 01" North Latitude and 89° 49' 50" West Longitude.

6. The allotment of Channel 243C3 to Rhinelander, Wisconsin would result in a preferential arrangement of allotments, pursuant to Revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1982); Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License, 4 FCC Rcd 4870 (1989). The allotment would provide Rhinelander, Wisconsin with an additional local FM transmission service, fulfilling the Commission's fourth priority for FM allocations.

7. The proposed allocation site will provide a 70 dBu service to all of Rhinelander, Wisconsin. See Exhibit E-2. Thus, the objectives of 47 U.S.C. 307(b) would be served by allocating Channel 243C3 to Rhinelander, Wisconsin.

8. Results Broadcasting of Rhinelander, Inc. certifies that it has a present intention to apply for the new channel when allotted, and when authorized will construct the facilities promptly and commence operation on Channel 243C3 at Rhinelander, Wisconsin.

WHEREFORE, for the foregoing reasons, it is respectfully requested that the Commission commence a rule making proceeding to allot Channel 243C3 to Rhinelander, Wisconsin.

Respectfully submitted,

**RESULTS BROADCASTING OF RHINELANDER,
INC.**
