WE THANK YOU FOR THE SUPPORT
AND COVERAGE FOR TRIPLE "S" AND
GIRLS HAVEN. WE DID GOOD, BUT
I HAD A PERSONAL GOAL THAT I
DIDN'T MAKE, SO I'LL HAVE TO TRY
HARDER NEXT YEAR. I HOPE EVERYONE
HAD FUN AND PLENTY TO EAT.

THANKS AGAIN

Coach Mr. Roberts

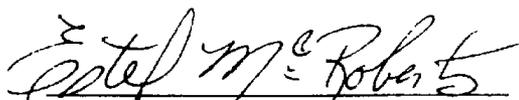

Thank you from Girls Haven and Triple "S" Industrial

Dear Participants, vendors, donors, and volunteers give yourselves a big hand, you helped to raise \$17,250.00 at the Fifth annual Triple "S" Firecracker Foursome benefiting Girls Haven. We sincerely hope everyone had a great time and you're looking forward to next year. Golfing for the girls' creates fun, while raising funds for our favorite charity, Girls Haven.

Dear Mr. Jones:

I would like to express my appreciation for your support of the "Air for the Elderly" program. Your interviews and spots on television have generated much interest in the need of the elderly and low income disables in our community.

Again, thank you for your assistance in this program. The people who are served by this program during the worst of our southeast Texas heat are very appreciative of your support and generosity.

May God bless you.

Dear Amanda:

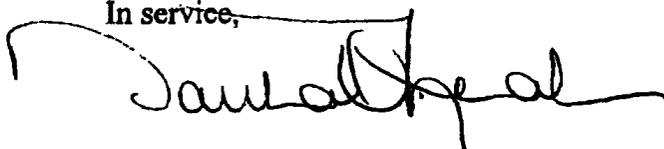

WE DID IT...despite the flood!!! The Community Baby Shower was a HUGE success...And, much of the credit goes to you. I hope you know how very much we appreciate you and your hard work on this project. Without you it would not have been near the success it was. And, to think that despite the flood it was still just as successful, if not more so, than last year's. I cannot remember, but it seems that the amount of donations is about the same, but the quality is definitely the best it has ever been...And, I think we have you to thank for that. So, thank you.

It was delightful (at some points) working with you. And when it wasn't delightful...it had nothing to do with you...that Southeast Texas weather. Look forward to working with you again.

I hope feel a great sense of satisfaction knowing that many Southeast Texas families are better able to care for their babies thanks to you and your hard work. You should feel really GREAT...despite the hard work and rain.

May God bless. Thank you on behalf of Some Other Place and the babies of Southeast Texas.

Dear Mr. McKinnon:

Just a note to thank you so very much for your willingness to co-sponsor the annual Community Baby Shower with the March of Dimes. Thanks to you and your viewers many Southeast Texas babies will receive wonderful new and "gently used" items to start their new lives. I am always impressed with the generosity of Southeast Texans... They help to make all that we do possible and we are so grateful to you for partnering with March of Dimes and helping to make sure local babies get a good start in life.

Beaumont is fortunate to have Channel 12 in our community and we appreciate so much all you do to help us to help others. Thank you for all you do.

Special thanks to Amanda Harrington for all her hard work and planning. She was there from 6:00 to 6:00 doing all she could to help to make this endeavor a HUGE success. She also was responsible for all the pre planning in conjunction with the March of Dimes. It would not have been as successful without her and her dedication and hard work. Even the flood did not deter her. We appreciate her. You are fortunate to have such a hard working, dedicated employee.

Thanks for everything. May God bless and keep you all.

- Educate local schools, churches, organizations and businesses the importance of healthy lifestyles
- Community programs that are increasing access to prenatal care for women who might not otherwise get it
- Increase the awareness of the "B" vitamin, Folic Acid
- Advocacy for Children's Health Insurance Program
- Research to successfully perform an open-womb operation to repair spina bifida fetus
- Research to rescue cells whose deterioration causes retinitis pigmentosa (inherited blindness)
- Research to develop a form of gene therapy that could cure hemophilia B (blood disorder)

You and your team have been an instrumental part in babies' lives, everywhere. In our eyes, you are each HERO's. We sincerely thank each of you and we are looking forward to next year.

Re: Monthly School Volunteer Reports

At last, we have a monthly volunteer report to send you. Thanks for being so patient with us. For the past year, we have been working to improve data collection for school volunteer hours and activity. We are so excited about the new programs that our technology department has designed for the School Volunteer Program. Now, we can be more efficient in recording volunteer hours and retrieving data for grant information. In addition, the work they have provided will allow us to tie student achievement, attendance and discipline records to volunteer involvement. This evaluation piece is one that business has requested and is groundbreaking for school partnership programs in the state and across the nation.

While the report format is currently in rough draft, we are working to add the logo and grid lines which will make it easier to read. Please make revisions with names and hours and send it back to us so we can correct your report.

Thanks again for your patience.

Dear Dan,

Thank you for an outstanding job in covering our Incentive Awards program last Thursday evening at the BISD boardroom. I appreciated you and your crew arriving early to be certain that everything was set up and that the live interview went well. Thank you, also, for spotlighting some of our "dreamers." That was special to them and helped them see that their accomplishments were indeed newsworthy. I think they were all excited to see the cameraman!

We were grateful, as well, for the opportunity to let the community know about our many sponsors and program underwriters and how their support is so vital to the program.

Dear Mr. McKenna,

Working with your staff and reporters on numerous occasions most recently has prompted me, on behalf of the Board of Directors and staff of the "Gift of Life," to express appreciation for the commitment that the Channel 12 team has shown to the endeavors of our program. **Everyone has gone above and beyond to be helpful and make us feel special and loved.** 😊

We think you will be pleased to know that through your support during National Prostate and Breast Cancer Awareness Months, the "Gift of Life" reached over 1300 Southeast Texans, including the provision of more than 300 free mammograms and clinical breast exams on the UTMB mobile van; 85 free mammograms at Memorial Hermann Baptist Hospitals; more than 300 free PSA prostate cancer screenings; and Sidney "Chief" Dauphin educational outreach meetings that attracted over 600 individuals. Moreover, your coverage of our fourth annual Breast Health Forum at Lamar University with program partner, The University of Texas M.D. Anderson Cancer Center, helped us to provide 300 nursing professionals and students with current research on breast self-examinations, mammography screenings and hormone replacement therapy.

In no way could the "Gift of Life" realize its mission to decrease the incidence of death associated with breast and prostate cancer in Southeast Texas without the wonderful support of dedicated partners like you. Working together, we can continue to enhance the lives of the medically underserved who would otherwise be unable to afford testing and treatment.

With sincere gratitude,

Regina

Dear Mr. McKennon:

Thank you so much for your company's participation as the media sponsor in Chevron Phillips Charity Golf Tournament 2002 benefiting Buckner Children and Family Services. We want to thank you for a great job, especially the news reports of our event. Also, TW Star did a great job as Master of Ceremonies along with Roger Manning! With your generous support, this year we raised a record breaking \$100,000! Thank you! One hundred percent of this money is used locally to assist the children and families that Buckner provides services to in Southeast Texas.

Buckner is dedicated to the restoration and healing of children and families and has been providing residential and individualized care in Southeast Texas for over 30 years. This dedication and service is the reason Chevron Phillips and its employees have continued to sponsor and support this excellent organization and have set next year's tournament date as **Friday, September 26, 2003. Please mark your calendar.**

Dear Ms. McCalope:

Thank you for doing such an excellent job as Mistress of Ceremonies at the Beaumont Branch NAACP's 21st Annual Freedom Fund and Awards Banquet held at the Beaumont Civic Center, October 12, 2002.

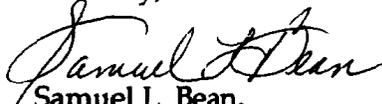

Not only did you do a superb job of handling changes in the program, you also gave the audience pertinent information regarding the mission and inception of the National Association for the Advancement of Colored People. Thank you for your innovative style.

Attendance at this year's banquet exceeded 900 people and we were very proud to have you guide the audience through the program during our branch's most important annual function.

We have received several positive comments regarding the impressive job that you performed. I do believe that KBMT Channel 12 gained several additional viewers due to your excellent representation of the station. You represented KBMT Channel 12 and the Beaumont Branch NAACP extremely well.

Thank you for the very professional job that you did!

RE: KBMT Mediation Day

Dear Mr. McKinnon:

I want to take opportunity to update you with results of our KBMT Mediation Day. On Monday we fielded 286 calls from citizens of our community. As a result, we have 86 mediation sessions scheduled to be heard over the next few weeks. We have another 61 cases that are appropriate for mediation, but need additional data before we can process them. As importantly, we provided 139 callers with referral information so that their problem situation might be helped with assistance from another source.

Your foresight and concern for our community is clear; KBMT Mediation Day helps many citizens of our community gain a better understanding of how mediation can serve as a viable alternative to litigation.

All of the staff at Channel 12 were extremely courteous and helpful to us throughout the day. Please convey our appreciation to each of them. We believe strongly in the value of this public education campaign. Thank you so much for the support you provide. If you ever have need of our assistance, please do not hesitate to call on us. We always welcome any opportunity to work with you.

Respectfully yours,

Cindy Bloodsworth

Dear Mark:

Enclosed is an invitation to our upcoming annual meeting, set for Tuesday, October 8. This yearly event is one of the ways we express appreciation to the cadre of professionals who donate their time mediating cases at our Center. It is also occasion for recognizing others who support the Dispute Resolution Center's mission and contribute to our success. KBMT-TV is one of those organizations we wish to thank at this event. We invite you and/or your designee and your guests, to attend.

We do plan a special presentation for KBMT-TV. As you know, this year's program was another great success. We are still getting calls from people who say they saw us on television. There is no question that this is a valuable and effective way to get information to citizens of our community. It will be several more weeks before the final assessment of Mediation Day will be available. But we know it will be an excellent outcome.

I hope you can be with us on this special evening so that we can thank the station in a fitting way. To reserve seats for dinner, please return the enclosed reservation form. Send no payment, as this dining event is provided as a small token of our appreciation.

Sincerely,

Cindy Bloodsworth

SPECIAL THANKS

From

Triple "S" Industrial Corp. and Girls Haven

Hey! Participants, Vendors, Donors, Sponsors and Volunteers we did it again. We have continued to break our record year after year for funds raised at our annual charity golf tournament benefiting Girl's Haven. This year at our sixth annual tournament \$21,400.00 was raised for the girls. You players really came through with \$3386.00 raised out on the course with the games, Student Golfers, 50/50 jars and etc.

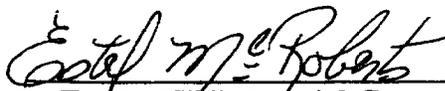

We hope everyone had a great time and I wish all Donors and Sponsors could have visited just to see what we have accomplished for the Girls.

This year we ended up with eighteen vendors around the course giving out food and drinks, also six beverage carts were making the rounds. All food and drinks served, was donated by the individual Vendors. Drinks on the beverage carts were donated by Del Papa Distributing Co.-Anheuser/ Busch, Coca Cola Bottling Company and Market Basket.

Again we have shown that golfing for the Girls is fun, while raising funds. We appreciate all the participation and everyone deserves a big hand of applause.

Thanks again for your continued support, your time and efforts in making this fundraiser successful for the Girls.

Sincerely

Triple "S" Industrial Corp.

Dear Mr. McKinnon:

Finally a moment to sit and drop you a note of appreciation for your sponsorship of the March of Dimes Community Baby Shower... We appreciate so much your willingness each year to sponsor this wonderful event with the March of Dimes. We are currently distributing the items collected to expectant and new mothers. They are simply delighted (and relieved) to receive these new items for their new babies. For many of them these are items that they would not have been able to secure for their babies. Thanks to you, the March of Dimes and all your wonderful viewers, none of this would have been possible. We thank you for helping us to help our newest citizens of our community.

Beaumont is fortunate to have KBMT TV as a resident and Some Other Place and the other agencies who benefited from this wonderful event are blessed to have you as partner and friend. Thank you for your support.

Special thanks to Amanda Harrington who does a wonderful job on this project. She is simply delightful to work with and is extremely efficient at making sure everything "comes off perfect." We appreciate her and your staff.

May God bless and keep you all.
