Dear Friends,

With the holiday season upon us and a new year just around the corner, it seems appropriate to reflect on the many accomplishments of the past year. Accomplishments, that without you, our friends and sponsors, would not have been possible. Your enthusiasm and kind hearts enabled MDA to continue to provide an extensive array of services to those coping with neuromuscular disease here in the Southeast and East Texas area.

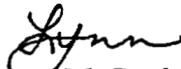

Your support has helped fund our clinic at HealthSouth, as well as vital research projects designated for finding treatments and cures for 43 neuromuscular diseases. MDA has provided over \$1.4 million for local research at the Baylor University Medical Center in Houston. MDA's summer camp at "Camp for All" was once again a successful week, in which children with neuromuscular disease were free to push their limits and break through barriers present in their everyday life. Not only have we seen a significant increase in the number of campers, but we have also been able to reach out to more families through an MDA Support Group for ALS.

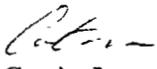

2003 has certainly been a year of advances for the families we serve. It is you, our sponsor and friend, who has made this happen. Thank you for being on our team. Your generosity provides hope, which is sometimes, the best gift of all.

Wishing you a happy and healthy holiday season and a 2004 that is full of hope.

Sincerely,

Dear Shon;

I would like to take the opportunity to say thank you once again for all your efforts involved with the Valentine's Day Blood Drive. Thanks to everyone involved this year, the blood drives were very successful. As you know, we had 17 early morning blood donors on the LifeShare Bus and 88 donors stopped by inside Parkdale Mall to donate. Everyone seemed to really enjoy being able to give blood on Valentine's Day.

I am looking forward to next February with hopes that this event will be even bigger and better. LifeShare Blood Centers has a great responsibility to supply safe, adequate blood and blood components to area patients. Thanks to groups and individuals like you, we are able to accomplish this.

Thanks again from everyone at LifeShare Blood Centers.

Sincerely,

Dear Mr. Crumpton:

The Gumbo Festival is the largest annual fundraiser for Girls' Haven. By showing your commitment and financial support, you make it possible to achieve our mission of providing a safe, nurturing, and secure environment for girls affected by abuse, neglect or family dysfunction. The success of the Gumbo Festival allows us to meet the needs of more girls and enhance our services.

As a non-profit organization, Girls' Haven relies on fundraisers and contributions from individuals to provide a large percentage of our operating cost. Our goal is not only to give these young girls a safe place to live, food, and clothing, but also to provide them with opportunities and the tools to succeed and fulfill their dreams.

Thank you for your continued support. Together we can make a difference in the lives of many young girls in southeast Texas. For a tour of our new campus or more information about Girls' Haven, please feel free to call me at (409) 860-3148 or Karen Fitzhugh at (409) 832-6223.

Dear Jim:

Thank you for the generous donation for the Firehouse Favorites Benefit and Silent Auction benefitting the Fire Museum of Texas on Saturday, May 10, 2003.

Contributions such as yours have enabled the Fire Museum to preserve and maintain a collection of historical firefighting equipment that can be viewed and enjoyed for many years to come. With support, the museum is also able to work on capital projects like the C.A. "Pete" Shelton Plaza and Firefighter Memorial. In addition, the museum is committed to educating our youth in personal and home fire safety through a "learn by doing" approach in the Fire Safety Activity Center. We are all very proud of the museum and with your support, we can continue our mission.

Once again, thank you very much for your donation. The event was a great success, and would not have been possible without your support.

Beaumont, TX 77726

Dear Jim,

On behalf of the Board of Directors, staff and volunteers of the "Gift of Life" Program, we express our thanks for your excellent coverage of our program and activities during National Prostate and Breast Cancer Awareness Months.

It is through your commitment and that of our other supporters and volunteers that we can boast of providing over 300 free mammograms and clinical breast exams on the UTMB mobile van and 85 free mammograms at Memorial Hermann Baptist Hospitals. The program also reached over 600 individuals through 17 educational outreach meetings. Your assistance also helped ensure the success of our fourth annual Breast Health Forum conducted at Lamar University with program partner The University of Texas M.D. Anderson Cancer Center and attended by more than 300 nursing professionals and students.

With the involvement of dedicated partners like you, we are able to decrease the incidence of death from breast and prostate cancer in Southeast Texas. Your outstanding reporting and recognition of our activities throughout the year supports our mission of helping save lives.

With our deep gratitude,

Uliana Trylowsky
