*One of the "100 Best Companies to Work for in America"*

Dear Chris Walters

A heartfelt thanks goes to you and your employees who contributed to the United Way Campaign. Once again, you and your employees have gone the extra mile to help the greater Wichita Falls community a better place for all of us. Community needs and local responses are important now as in the past. United Way makes a difference because its agencies work within the Wichita Falls area.

Many words come to mind to describe people like you: generous, concerned, caring, and smart. I am proud that you and the rest of your employees realize that when you give to United Way, you help to ensure that a wide variety of needs are met, including services to the hungry, substance abusers, youth, elderly and so many more.

Again, I sincerely thank you for your continued support and for positively making a difference.

Sincerely,

Chris,

I just wanted to write you and thank you once again for your support of the United Way in Iowa Park. This year's business blitz was a success again. Getting the remote coordinated with Juliy Devine at the main United Way office was helpful to our campaign. Also having Jon-Jon the intern boy there was entertaining for us.

Without people like you the United Way campaign in Iowa Park would not be able to reach the goals that it does.

Thank You,

On behalf of Kidd and the Kidd's Kids Board of Directors, I want to thank you for helping make the first annual Kidd's Kids Day a HUGE SUCCESS!!!! Never in our wildest dreams did we expect to raise over \$100,000... well \$100,744.63 to be exact. And the craziest part is... it is still pouring in. Without your participation and hard work from your staff this would not have happened.

We truly believe in this program and believe we make a difference in these children's lives but today you and your staff made the difference.

Thank you again!!! Please let me know if you have any questions or need any information regarding the program.

Dear Chris,

I want to take this opportunity to personally thank everyone for your participation in the mayoral debate. The whole operation was a dream to put together and it came off effortlessly. It could not have been done without the cooperation and work by each and every person involved. I have heard many positive comments from throughout the community on the debate.

I sincerely appreciate the input and help from the representatives from the League of Women Voters, the City of Wichita Falls, Time Warner Cable, Clear Channel Communications and of course the folks here at KFDX-TV. It is also nice to know that when each of you promised something, it was done. I did not have to worry about anything.

I also want to thank the candidates who took part. Mayor Jerry Lueck, Mr. J.W. Martin and Counselor Bill Altman, without you, the debate would not have been possible. I feel we all have been able to inform the voters of Wichita Falls on the upcoming elections.

If I can ever be of service to any of you, please don't hesitate to call.

Sincerely,

Re: Hospice of Wichita Falls, Inc. Tree of Lights

Dear Kim:

The Hospice of Wichita Falls Tree of Lights campaign was extraordinarily successful this year, thanks to the generosity of you and the staff at Mix-106. You are so kind for allowing us on your radio station for a whole day! The radiothon on December 18th resulted in thousands of dollars of pledges, and allowed us to reach our \$100,000 goal. We could never do this without your continuous support.

Because of your kindness, many in the North Texas area will now be able to receive the special kind of care provided by Hospice of Wichita Falls. And, too, many in our community will be able to attend support group meetings to help them through difficult times in their lives.

Again, many thanks for all of your support.

With best wishes for a happy new year, I am,

Very truly yours,

Re: Hospice of Wichita Falls, Inc. Tree of Lights

Dear Chris:

This time of year, I once again find myself struggling to find where to begin to say thank you for everything that you do to make Hospice of Wichita Falls' Tree of Lights campaign such a tremendous success. We are so appreciative of the time you took interviewing family members that we have had the privilege to serve. We know that you do this on your own time, in the middle of a very long day. (And, at a busy time of year.) These stories make such an impact during Radio Day.

Of course, we are so grateful for your continuing professionalism, unbelievable enthusiasm and boundless energy during the 10-hour-long radiothon. You are truly a joy to work with. Not only do you go above and beyond the call of duty, staying on the air for that length of time, but you are such an integral part of the success of the Tree of Lights campaign.

Again, we are so grateful to you for all that you do -- it was great working with you again this year!

All the best in 2003 -

We thank you for participating as a media sponsor and helping us publicize ElectriCrittters. We also want to thank Chris Walters for participating in our Celebrity Story Telling. This was a very popular event during ElectriCrittters.

We are thrilled that we were able to reach our goals for ElectriCrittters. River Bend experienced a 400% increase in patronage for this time of year! This unique event also increased public awareness as to our location and services as many new friends signed up to receive information regarding our programs and events. We know from the thousands of positive comments that ElectriCrittters provided great family entertainment during the holiday season!

It is our hope that you were as pleased with this exhibit as we were. We appreciate your faith in us, by supporting us in this new endeavor. We are already making plans for the second annual ElectriCrittters for 2003! We hope you will consider participating with us again.

On behalf of the American Heart Association's Heart Ball Committee, thank you so much for your "In-kind" sponsorship of advertising for the 2002 Heart Ball. The event was a huge success!

We're hearing many great things about the Heart Ball, and because of your generosity we had another record-breaking year! The live and silent auction brought in a total of \$25,000 on the night of the event. The net total of our 2002 Heart Ball was \$79,000, with expenses under 12%. This is about \$4,000 over last year's total!

Money raised from this event is used for research and the development of educational programs that benefit you, your family, friends and Wichita County. The AHA is committed to reducing coronary heart disease, stroke and risk factors by 25% by the year 2010. This goal could not have been accomplished without the continued support of donors like you.

The sale was a great success due to the live broadcasts and all of the public service announcements that were made. Wichita Falls Crime Stoppers, Inc. could not be the success that it is without the unfailing support of individuals and businesses such as you.

Since 1981, when Wichita Falls Crime Stoppers, Inc. was founded, 2,633 in arrests have been made, 3,899 cases has been cleared, and \$18,545,048.45 in stolen property and narcotics has been recovered. The program has paid out \$488,228.00 in rewards. Wichita Falls Crime Stoppers, Inc. also operates sixteen umbrella Campus Crime Stoppers Programs, to include every High School and Junior High School in Wichita County. These programs have been responsible for 789 arrests, 836 cases cleared and the recovery of \$133,336.50 in stolen property and narcotics. The Campus Programs have paid out \$9,475.00 in rewards.

Dear Chris:

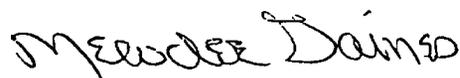

I just wanted to let you know how much I appreciated your, "I can make it happen" attitude at the American Heart Walk on Saturday, October 5, 2002. Without your quick response we would have had no Public Address System and the Walk would not have been nearly as much fun. Our walk Chairman experienced a moment of panic and then you came to the rescue by calling in your other van that did have a PA. Thank you so much for saving our walk.

Thanks to you we will net \$30,000 at this year's American Heart Association's Heart Walk!!! Because of your sponsorship we were able to keep our expenses to 6% of the total raised. This means that more money is going to help fight America's number one and number three killer, heart disease and stroke.

More than three hundred walkers, with their spouses, children and dogs came out to Graham Central Station's Parking lot at 8:00 a.m. on October 5, 2002 to participate in Wichita County's American Heart Walk. All those who participated said they had a great time.

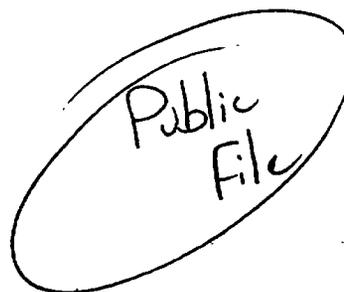

Thank you for helping to make this event so successful. It is important that we realize that this is a fun event that helps to eliminate a deadly foe, heart disease and stroke. The money that was raised at this event will fund research and education that might save your loved one or even you. With your help the American Heart Association can reduce death and disability by 25% by the year 2010.

Wichita Falls Crime Stoppers, Inc. also operates sixteen umbrella Campus Crime Stoppers Programs, to include every High School and Junior High School in Wichita County. These programs have been responsible for 665 arrests, 744 cases cleared and the recovery of \$119,326.50 in stolen property and narcotics. The Campus Programs have paid out \$9,475.00 in rewards.

Once again, thank you for choosing to get involved. Your support will ensure that the program continues the fight in making our community and schools a safer place.

Sincerely,

Officer Melvin Joyner  
Police Coordinator

Dear Mr. Payton:

On behalf of the Wichita Falls Crime Stoppers, Inc. Board of Directors, I would like to take this opportunity to thank you and each of your stations for doing an outstanding job of promoting our Second Annual Benefit Garage Sale. The sale was a tremendous success raising over \$8,000.00.

One of the things that made a big difference in the Garage Sale this year was the live broadcasts that were made by your stations. You could definitely tell by the size of the crowds whenever your stations were broadcasting live. The crowds were larger and more people were pulling into the parking lot during the broadcasts.

Each of your stations went above and beyond the call to help Crime Stoppers to continue in its efforts to fight crime. You are truly a great public service to our community.

Sincerely,

Officer Melvin Joyner  
Police Coordinator

Dear Bob:

Please accept our most sincere gratitude for your support of the National Child Identification program.

It's the goal of The National Child Identification Program and Clear Channel to fingerprint millions of children across the nation over the next three years.

Your hard work and dedication is helping this vision become a reality. Through your efforts, we have already reached thousands of children in the communities we work and serve.

Clearly, your station's hard work and dedication has been an integral part of making this program a success. We applaud your efforts and look forward to working with you on other cause programs in the future.

Sincerely,

Dear Ms. Dobbs:

On behalf of the American Heart Association's 2003 Heart Ball Committee, thank you so much for generously donating the \$500 advertising package to include in our silent auction at the 2003 Heart Ball, "Racing for Heart."

Your gift played a key role in the success of our event. Because of your generosity, our live and silent auction raised a total of \$21,352! What a success!

Money raised from this event is used for research and the development of educational programs that benefit you, your family and friends, and the community of Wichita Falls. The AHA is committed to reducing coronary heart disease, stroke and risk factors by 25% by the year 2010. This goal cannot be accomplished without the continued support of donors like you.

Thanks once again for your enthusiasm and willingness to support our event!

Sincerely,

Dear Liz:

A million thanks for the wonderful job you did on the three exhausting days of CMN Radiothon last week! You have such a wonderful grasp of speaking with emotion and saying "just the right thing". Every tear and every word was spoken with conviction and devotion for CMN. You and Chris make such a wonderful team, and it was so great to have you all back together again "on air".

I send my thanks to everyone at Clear Channel ... especially to you and Chris for your energy and devotion to our cause, to Kim for giving her stamp of approval to everything we could have possibly wanted, to Melissa and her team for getting sponsorship money, to Kara for getting the wonderful food donated while we were captive to the cause, and to Vicki, Bradley, and Little Meg for their tireless hours of work on behalf of CMN! You all are a great bunch to have on our team of CMN Champions, and I look forward to our long relationship in the future.

Sincerely,

Dear Sirs,

My name is Devon Frie and I won the beautiful horse trailer you sponsored with the Rangler Barrel Classic. I know I'm slow in getting this thank you out, (I'm too busy pulling my new trailer) but I guess a slow letter is better than no letter. I am still awestruck that I could have won this beautiful trailer. It is just perfect! This has been a really tough year but with winning the trailer things are looking up.

I can not thank you enough for your participation in the sponsorship of this beautiful horse trailer. I know advertising dollars are carefully spent these days and I want you to know that I will do my best to proudly pull this rolling billboard as many places as I possibly can.

The Rangler Riding Club is a very fine organization and they run a first class barrel race. This can be done because of wonderful sponsors like you.

Thank you again,

Devon Frie

Dear Clear Channel Broadcasting,

The American Red Cross would like to extend a heartfelt thanks for your media coverage of the Roll Em' Up 2001 blood drive. Without your help on getting the word out and allowing us to educate the public, gaining new donors would be much more difficult.

188 life-saving were collected and your contribution helped make this possible. The American Red Cross, along with many patients and families will benefit from these units. You are a part of saving lives!

Sincerely,

Ashley Gregg
