Ms. Benavides,

Thanks so much for the wonderful broadcast in which you highlighted our Gifted and Talented program. It is so refreshing to receive positive publicity for our school and district. It was a pleasure to work with you and your crew and I truly appreciate your interest in education. It is evident that you took much care and time in preparing this two part series and our students, parents, teachers, and staff are delighted in the result. Kudos to you and KLDO for a job well done.

Por medio de la presente deseo agradecer el apoyo de KLDO Univision 27 en la difusión del Séptimo Concurso de dibujo Infantil "Este es mi México". La colaboración de la televisora que usted dirige ayudó para que este concurso llegara a todos los rincones de esta ciudad y así pudieran participar 114 niños México-americanos con excelentes dibujos que competirán con otros miles de niños de toda la Unión Americana.

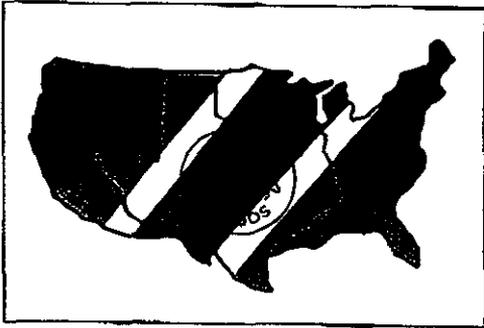

El objetivo del concurso es promover en la niñez estadounidense el amor por sus raíces mexicanas. Creemos que dicho objetivo se ha cumplido y esperamos que por lo menos uno de los niños de Laredo pueda obtener uno de los doce premios que consiste en un viaje todo pagado a la ciudad de México.

Le reitero mi reconocimiento por su interés en apoyar y difundir este tipo de eventos.

Dear Congressman Bonilla:

The Advertising Council, the nation's largest provider of public service communications, is pleased to inform you of the impressive support, KLDO-TV (located in your Congressional district), has given to our public service advertisements (PSAs).

In 2002, this television station donated a total of 2946 spots of valuable airtime towards Ad Council PSAs. This steadfast commitment to public service allows the Ad Council to communicate critically important messages to your constituents, helping to improve their lives and communities.

The Ad Council's longstanding relationship with the media is a powerful one. Over its 60-year history, the Ad Council has leveraged the pro bono resources of the media and advertising industries to address the most pressing social issues of the day. Through generous support from our media partners, Ad Council icons and slogans are woven into the very fabric of American culture - from Smokey Bear's "Only You Can Prevent Forest Fires", McGruff the Crime Dog's "Take A Bite Out of Crime", "A Mind is a Terrible Thing To Waste", "Friends Don't Let Friends Drive Drunk to "I am an American".

Each year, the Ad Council receives approximately \$1.3 billion in donated media for over 40 campaigns that promote awareness about high-school drop-out prevention, afterschool programs, art appreciation, family literacy, child hunger, parenting, learning disabilities, domestic violence prevention, mentoring, energy conservation, AIDS awareness, prenatal care and volunteerism.

The media also enable us to communicate messages to the public on behalf of the Federal Government, including the Department of Homeland Security, U.S. Army, Library of Congress, Department of Health and Human Services, Department of Housing and Urban Development, EPA, Department of Justice, Department of Transportation, Department of Agriculture, and Department of Defense. These Ad Council campaigns communicate vital messages such as seat belt safety, citizen preparedness, breastfeeding, community drug prevention, fair housing, childhood asthma and voting, just to name a few.

The Ad Council remains fully committed to delivering critical public service messages to all Americans, in your district and in communities nationwide. We could not accomplish this vital mission without the ongoing generosity of stations like KLDO. Please join us in commending KLDO for its continuing support to improve the lives of your constituents and our nation. Should you have any questions regarding this station's noteworthy contributions, please have your office call Kate Emanuel, Vice President of Government Relations at (202) 331-4152.

Dear Terry,

For more than ten years L&F Distributors, Anheuser-Busch, and the local community have awarded over 2,600 scholarships to deserving students in South Texas to attend the college of their choice. In 2002, our group of dedicated local sponsors raised 1.8 million dollars and to date, we have raised over \$5 million.

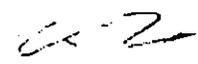

In years past, the proceeds from the Extravaganza scholarship events were raised under the name of Hispanic Scholarship Fund, a national 501(c)3 organization based in San Francisco. In October 2002, the local organizers of the annual Extravaganza scholarship events formed their own 501(c)3 non-profit, South Texas Academic Rising Scholars. STARS was formed in order to capitalize on the vast amounts of matching dollar opportunities available from corporations and foundations. We will continue to partner with the Hispanic Scholarship Fund on matching fund opportunities, and in addition we will be collaborating with other organizations to maximize our local dollars. Scholarship recipients will be chosen on the basis of academic achievement, personal strengths, leadership and financial need.

As in years past, we will continue to host fundraising Extravaganzas with top entertainers. Previous entertainers have included Bill Cosby, Tim McGraw, Alabama, Jay Leno, and many others. By continuing your sponsorship of the local scholarship events, you will continue to enjoy the benefits of sponsorship, such as being our guest at the Extravaganzas and year round media exposure, not to mention our goal of helping students in South Texas achieve their academic goals.

We look forward to your continued support of higher education for students from South Texas. For more information regarding STARS, please feel free to contact myself or Teri Treviño Funk at (956)687-7751.

Dear Ms. Lozano:

At a time when so much of the media programming is anti-God and anti-family it is noticeably impressive that you have the wisdom and the courage to carry a number of family oriented shows and to actively support Christian events.

We would especially like to thank you on behalf of the Christian community for the superb coverage of the May 3rd "Meet at City Hall" for National Day of Prayer. The reporting, photography and space you afforded are a blessing to those who serve our Lord Jesus Christ. You in turn will be blessed as the bible tells us that "Blessed are those whose God is the Lord!" We also appreciate Lupita Benavides's ample cooperation and superb and cheerful interviewing skills. We were privileged to have your excellent team share some time with us.

Thank you and please call on us if there is anything we can do for you.

God bless you and God bless America.

de hoy un agradecimiento especial a Teo Decia. Teo me sorprende mucho en producción de comerciales y como se trabaja en un estudio de televisión. Aprendí que era muy importante ser puntual y que el área de comunicaciones es muy amplia. Me gusta mucho estar ahí en el estudio, sobre todo aprendi como se editan los comerciales. Me gusta estar ahí conociendo todas las diferentes personas y en que area trabajar. Aprendí mucho que es importante trabajar en equipo. Agradezco mucho a Teo Decia y a Universos por esta oportunidad y a lo mejor valdría la pena trabajar con ustedes.

Dear Bill:

Behind every successful event is a core group of dedicated folks who freely give of their time to ensure that the needs of the many are met. I can safely say that the planning committee for the 2000 TAB Sportscaster Institute made the event a success.

Thanks to your unselfish efforts, nearly 80 broadcasters from markets large and small took home the memories of an Astros ballgame, some lively stories, some great ideas for covering sports and selling a station's coverage, and a gander at Sandra Bullock.

Your efforts to arrange for panelists and pull together the logistics of a two-day seminar are much appreciated. I was always able to count on you when I needed it.

Thanks again for your help in making this event a success, and take pride in the photos and story in the July TABulletin. You made it happen.

The Liberty County Chapter of the American Red Cross greatly appreciates your very generous support of our 2000 Sporting Clays fundraiser that was held on March 11.

The Liberty County American Red Cross Chapter staffs an all volunteer office in Liberty. In 1999 the volunteers assisted nineteen families in our area who had lost their homes to a disaster, usually a fire. Vouchers totaling nearly \$23,000 were written to these families for food, clothing, household furnishings, and medical needs. The volunteers also taught the CPR and first aid classes, provided health and safety information to groups, and staffed health fair booths.

Your support helps Red Cross continue to help families in need and to promote safety in our community.

To whom it may concern

I am William L. Bodie Volunteer Ombudsman Assigned to Burnmont Nursing center in Liberty, on May 20 a significant flooding event occurred, as Ombudsman I was most concerned as to the wellbeing of the residents of Burnmont Nursing Center, so I called Burnmont and talked to the charge nurse and she told me that no flooding problems had occurred at that location. In light of all the alarming reports of the severity of the flood I tried to get a number of News Media to give a public announcement to the effect that there was no problems at Burnmont and that all residents were ok. Put yourself in this position for one moment if you can, it is your mother, your father, your loved one living at Burnmont, you get up at 7:00 A.M. and hear of flooding in Liberty would you not be the least bit concerned. For what ever reason Ch. 2 and Ch. 13 didn't feel that it was not appropriate to put out a public announcement to let the family of the residents of Burnmont know that their love ones were ok, Shine all Nine did.

As small as an action as it may seem, to us it was BIG.

Dear Mr. Buchanan::

Thank you for sponsoring the First Annual Trinity River Cleanup held this past weekend. In addition to collecting litter carelessly left along the beach and adjacent wood line by others, volunteers collected litter up and down the Trinity River from the Hwy 105 bridge. This first-ever cleanup event was a huge success because of your efforts.

Participation by citizens of the surrounding communities will help to create a clean and safe environment for wildlife and a beautiful river for all visitors. This tradition of environmental conservation is certainly evident at Trinity River National Wildlife Refuge. The U.S. Fish and Wildlife Service, whose job it is to protect and manage wildlife and their habitat at Trinity River National Wildlife Refuge, appreciates the hard work and many accomplishments of each and every volunteer.

Again, thank you for being a *Partner in conservation* with the U.S. Fish and Wildlife Service by helping make the Trinity River clean and safe for the many visitors who come annually to its shores.

Sincerely,

Smokey Cranfill

Dear Bill,

What a wonderful surprise it was to receive your check for the Big Book project! Your donation will purchase quite a few of these wonderful books that will enrich the lives of many children for years to come.

I cannot begin to tell you how much I appreciate your support of our library, and indeed, all of the libraries in our area. You and your radio station do a great service for us all.

Our community is fortunate to have a businessman who is genuinely interested in the well-being of our area; your concern and love for your community is evident in the endless hours you devote to providing excellent service.

Thank you, Bill, for everything you do.

Sincerely,

Dana

Dear Bill:

I just received a letter from Orange County United Way. In part they were referring to the taped broadcast of the torch relay that you did. The letter states in part: "Thanks again for getting the tapes for us. I listened to the tape all the way through. It was just fabulous. Your radio station did a tremendous job with the whole run. Jim Stelly (torchbearer and part-time broadcaster for KOGT in Orange) is going to make copies for those who participated in Liberty/Dayton. Thank you so very much. It gave me a real feel for the event."

I just thought you and your fine staff ought to know that what you do (and we sometimes take for granted) is truly appreciated.

Thanks again for the fine broadcast.
