Angelina County Humane Society

Jan. 21, 2004

Dear Sir,

I am thanking Clear Channel Radio for the help the Humane Society of Angelina County has received from your local station in Lufkin, Texas.

The Society is a non-profit organization with limited funds. We rely on Clear Channel stations to inform the public of pets that we have for adoption, a low-income spay/neuter program, upcoming events and needs that we have at the shelter. Without Clear Channel and the great DJs and supportive staff our shelter would be overlooked.

The P.S.A's that are done through Clear Channel make a difference in every aspect of our mission to provide shelter for unwanted pets, homes for the pets, altering of pets for low income families, generates donations of cat litter, pet food and encourages people to support us.

We are given time each Friday, live with dedicated D.J.'s , Dan Patrick and Danny Merrill. The response to our airtime is fantastic! Many pets featured on air have been placed in new homes in response from listeners. Many people tune in to see what's up at the shelter. I firmly believe that Clear Channel is our link and without your support we would flounder.

Again, I thank you for all that your company does for us and a special tanks to Larry Gunter who has been extremely helpful in providing the right time for our P.S.A's

Sincerely,

Kim Frels

RE:2001 Kiwanis TV Auction-March 04, 2001

Dear Mr. Gunter,

On behalf of Lufkin Kiwanis Club, a *Hearty Thanks* to you and other civic minded merchants. Because of contributors like yourself, we have just completed another successful Kiwanis TV Auction. This year we raised in excess of \$22,000.00 to be put back into your community. Without your support, The Lufkin Kiwanis Club would not be able to accomplish their goal of supporting and helping to build many charitable projects that are so vital to our community, especially in the area of our youth programs. All of the funds collected from the auction go into the Kiwanis Community Fund Account. These funds are spent only on charitable activities within our community. In addition to the funds raised by the club, club members spend countless hours each year working on the many projects that we support.

Once again, thanks to you for your contribution in helping to make our 2101 Kiwanis TV Auction another success.

Sincerely,

Re: Lufkin Kiwanis T-V Auction

Dear Ethan:

On behalf of the members of the Lufkin Kiwanis Club and its annual T-V Auction, I want to express my appreciation to you and Clear Channel Radio as a merchandise sponsor for going the extra mile. It is unfortunate that we get crossed up sometime in accepting bids on items that are auctioned on the T-V and you going the second mile and providing another group of merchandise in order to appease a buyer will not be forgotten.

It is very unusual that we have to go back to merchandise sponsor in this particular situation as we did with Clear Channel Radio.

Again, thanks for being a Merchandise Sponsor in the Lufkin Kiwanis T-V Auction. As a next door neighbor to Clear Channel Radio we at BARTLETT, BAGGETT & SHANDS want to be a good neighbor to Clear Channel Radio and at any time that you wish to use our area in getting to and from work, feel free to so.

Dear Expo Party Contributor,

On behalf of the Exposition Board, let me express our appreciation for your contribution to this year's recently held Expo Birthday Party. Due to your generosity and that of others like yourself, the exposition center netted approximately \$25,000 from this event.

The Angelina County Exposition Center is a great asset to our community, both economically and recreationally. It brings in dollars to our community when out-of-town visitors attend functions held there. Plus, it is a location where local events can be held for our own enjoyment.

Without the support of the community, this facility would not exist. For this, we thank you.

Dear Mr. Gunter:

In 1998 the first "Operation Blood Storm" community blood drive was sponsored by Gulf Star Communications to celebrate Independence Day and was a huge success, setting a record for the highest number of units drawn in one day at the facility. Three years and a couple of name changes have not dimmed the success of this blood drive. On Tuesday, July 3, 2001 sixty (60) units of whole blood and two (2) apheresis platelet components were drawn, providing an adequate supply of blood for the July 4th holiday week.

Clear Channel Radio's stations, KICKS105, KTBQ107, KFOX95.5 and KSFA860 are a dynamic team committed to the health and well being of patients in the East Texas area who need blood products. Steve Ricks, Shawn Erickson, Bob Michaels and Gary Richards all worked the live broadcasts during the blood drive, while entertaining the donors and staff. Everyone had a fun time while giving the "Gift of Life." Thanks also to Norm Johnson who interviewed Christie Middlebrook on his a.m. talk show and Danny Merrill who master minded the entire event.

Yet, none of this would have been possible without the support and direction from you, and for this we are grateful. As always, Clear Channel Radio and crew are there to help spread the message of the need for blood and the regional blood program. On behalf of the patients we serve, thank you.

We look forward to next year and plan to "break the record" again. In the meantime, have a good summer and please come by the facility anytime to visit.

Best regards,

Exciting and entertaining activities will be happening downtown this year with the Vive La France evening, the crepe eating contest, and the Graucho Marx look-alike contest.

As always the 5th annual Nine Flags Festival will be a great occasion to get together and enjoy the spirit of the season. We are so delighted that you are a part of our sponsorship team this year.

On behalf of the March of Dimes we would like to thank you for your obvious commitment to our "Saving Babies, Together" Campaign. The March of Dimes is celebrating its 63rd Anniversary this year and has continued to work to improve the health of America's babies. Today our mission is to prevent birth defects and infant mortality. Since the March of Dimes is an organization that would not succeed without volunteers, we want you to know that we value your commitment.

The money raised in this event will be used to fund programs of research, community services, education and advocacy. This event will also bring mission awareness to our community and your co-workers about the importance of early prenatal care and advice on prevention of birth defects.

Dear Larry:

Congratulations! Operation Blood Storm for 2003 was a huge success. With sixty-seven (67) whole blood units collected, blood components were available to help at least 225 patients in need of blood products. With any holiday, but especially the July 4th holiday and weekend, the need for blood never diminishes. Operation Blood Storm's success helped to assure an adequate blood supply was available in the East Texas area.

Please accept our heartfelt gratitude for your commitment and guidance. The Clear Channel staff broadcasting from The Blood Center worked hard to promote the need for blood and to make the day fun for all. We are truly blessed to be able to partner with you to serve our community.

Also, thank you for the invitation to speak about the need for blood on your talk show. As you know, at their request, The Blood Center East Texas began providing blood components and related services to Memorial Health Systems of East Texas on July 1, 2003. With this new responsibility, it will be critical to educate the public about The Blood Center East Texas and our commitment to provide a safe and adequate blood supply to all the hospitals we serve.

We look forward to working with you on the upcoming Operation Blood Storm "Lufkin" which Clear Channel is hosting at the end of July. With the influence and market reach of Clear Channel Radio, and the dedication of the staff, I am confident that this event will be successful too!

On behalf of our friends and neighbors served by East Texas area hospitals, thank you for your personal commitment to the regional blood supply. We will contact you this week to set up an appointment for the talk show. If you have any questions, please do not hesitate to call Linda Warner or me at 936-560-3054.

Dear Tracy,

Your friends at St. Cyprian's School want to thank you for your generosity in supporting Bayou Bash 2003. 1800 auction booklets and invitations were mailed this week. Your auction item will no doubt enhance the offerings and add to the tremendous success of the evening. We are hoping on a sell out crowd that first Friday in April that will shop, bid, eat and enjoy to their heart's content. The students of St. Cyprian's are the beneficiaries of your kindness!

This festive community event is set for Friday, April 4th at 6:30 PM. We hope you will call and make a reservation to join us! (936) 632-1720. We have reserved tables (where our stellar volunteer waitpersons serve you) and general admission tickets (where you serve yourself from the fabulous Popeyes buffet). An added treat this year will be entertainment provided by Angelina College's Swinging Roadrunner Jazz Band. They should set the mood for some great fun down on the bayou!

Thank you again for donating \$500 worth of advertising on Clear Channel Radio Stations to Bayou Bash. Your gift will add much to our auction and will help us raise funds to maintain and support our academic programs. This evening would not be possible without your support and without the tireless efforts of dozens of committed parents. This is a volunteer-driven fundraiser that allows us to have little to no overhead. The monies raised directly support our mission, which is to be a community of learners where students are challenged to achieve their highest academic, spiritual and physical potentials in a Christian setting.

Thank you again for your donation to our auction. Thanks to you, Bayou Bash 2003 will be the best ever!

One simple "Thank You" hardly seems an adequate expression of our appreciation for your generous support of the fundraiser An Evening of Giving. The American Red Cross is a United Way agency and we appreciate your support and through your gift and others like it, that we are able to meet the needs of our neighbors.

The American Red Cross helps victims of fires, floods and other natural disasters. Red Cross services help people avoid emergencies, prepare for emergencies, and cope with them when they occur. Dear Clear Channel Radio,

The Women's Shelter of East Texas would like to thank you for your generous donation of diapers for our clients on May 20, 2002.

All items and donations to the Women's Shelter are used to directly benefit victims of domestic violence and sexual assault in a nine county area of East Texas. Without your help, we would be unable to provide the many services needed to enable families to overcome abusive relationships.

Again, thank you so very much for choosing our agency. You truly are appreciated.

Sincerely,

Margi Preston

Dear Larry,

What a lovely trip down memory lane on the evening of May 23 was had by all who attended the Spring dinner theatre, sponsored by the Nacogdoches County Chamber of Commerce. This little trip back to the "Fabulous Forties" in music and dance happened, in large part, because of your sponsorship and support.

Please accept my sincerest gratitude for your commitment to the Chamber's success in this endeavor. It is only through the continued support of our corporate partners, and valued citizens of our community that wonderful events, such as the dinner theatre, can continue. It is a wonderful coupling of the Lamp-Lite Theatre and the Chamber of Commerce. But, the life of the event is due to YOU and your continued support.

Please accept our heartfelt appreciation and YOU truly are "our partner in progress".

Regards,

Dear Sean:

Thank you very much for volunteering your time at the Texas Forestry Museum's fifth annual Reading Railroad. With over 225 children in attendance, we feel that combined with your support we were very successful.

Reading Railroad's goal is to introduce and encourage children to enjoy reading. Seeing and hearing adults read is an important part of this process.

We look forward to next spring and hosting another Reading Railroad. We hope that you will be able to join us again. In the meantime, we invite you to stop by the Museum for a visit.

Thanks again for your support!

Dear Larry:

I would like to take this opportunity to thank you for the beautiful plant that you sent to us commemorating LUFKIN's 100th anniversary. Operating a business for 100 consecutive years is a unique corporate milestone!

I would also like to say thank you to Clear Channel Radio for their continued support of Lufkin Industries and the community events such as the annual United Way Campaign and most recently the March of Dimes. On a more personal level, I would like to thank Clear Channel Radio for their help during the Christmas Season with our Rudolph the Red Nosed Pumping Unit display. The promotion given to the event has helped make it a great success.

Again, thank you for remembering our centennial anniversary.

Sincerely,

Dear Rodeo Sponsor:

Thanks to your support, the Nacogdoches Jaycees were able to successfully complete another Nacogdoches County Championship Rodeo. We appreciate your contributions and commitment to the Nacogdoches community. This year's concert added a new dimension to the rodeo, and without your support this would not have been possible.

Successful events like the rodeo enable the Jaycees to contribute to other community projects such as Fourth of July Fireworks, Christmas Courtesy of Santa, and the SFA scholarship fund.

The Jaycees appreciate all you do for our community, and we look forward to your continued support in coming years.

Sincerely,

Nacogdoches Jaycees

Dear Expo Party Contributor,

On behalf of the Exposition Board, let me express our appreciation for your contribution to this year's recently held Expo Birthday Party. Due to your generosity and that of others like yourself, the exposition center netted approximately \$25,000 from this event.

The Angelina County Exposition Center is a great asset to our community, both economically and recreationally. It brings in dollars to our community when out-of-town visitors attend functions held there. Plus, it is a location where local events can be held for our own enjoyment.

Without the support of the community, this facility would not exist. For this, we thank you.

Sincerely,

David V. Wilson
Chairman of the Board

Johnny-

Thank you so much for all of your support & for ClearChannel's partnership on the Evening of Giving event. More than \$5500 was distributed to local agencies and we look forward to an even bigger event next year. Thanks -

Dear Larry,

Thank you so very much for your sponsorship of the Red Ribbon Coloring Books. Because of K-FOX's and Clear Channel's support, we were able to add a special element for the younger children. You should come see the teachers when they pick up the coloring books - you would think it was a million dollars!

We are so very fortunate to have partners such as you. Sincerely,
Janet
