Ms. Jessie Degollado
KSAT - 12
1408 N. St. Mary's
San Antonio, Texas 78215

Dear Ms. Degollado:

Thank-you so very much for the outstanding manner in which you covered our first meeting of the Neighbors Against Crime Group. Because of your reporting, we have been contacted by many other south side citizens who share the same concerns.

We are currently working on plans for our second meeting. We expect to have speakers from both SAPD and Bexar County Sheriff's GANG INTELLIGENCE do a visual program.

Ms. Degollado, we are true fans of Channel 12 and have always preferred the news coverage your station provides. We have all commented on how much we enjoyed hearing the snappy opening your anchor people would use "KSAT News begins - RIGHT NOW." (Some of us noticed how the other stations tried using a similar announcement.) We are pleased with Channel 12's latest idea of reporting community concerns. You have given us another reason to keep watching your station.

Again, we want to express our sincere appreciation for your assistance in our efforts to deter crime in our community. We hope to see you again.

Sincerely,

NEIGHBORS AGAINST CRIME GROUP

Subject: Appreciation for an Outstandingly Superior Quality Performance
by Steve Browne

Dear Mr. Joslyn:

This letter is to express gratitude and appreciation for KSAT's policy of making available KSAT personalities as guest speakers to community groups and more specifically for the exceptionally fine success of Steve Browne in speaking to the over age 55 group, namely the Colonial Classics, of Colonial Hills United Methodist Church, on Monday 10 January 2000.

Steve's audience of some 80 plus people was thoroughly and cheerfully delighted with his performance in telling about his career in weather forecasting, about the science of weather forecasting, and about the joys he derives from weather reporting. Know that on the audience satisfaction scale of 1 to 10, Steve scored a solid 10! Steve is a winner!!

Please add to the many congratulatory comments Steve received today from his Colonial Classics audience by passing along to him these additional praises for his time and the enlightened enthusiasm and humor he placed into his delivery to Colonial Classics.

Very gratefully intended,

Herb Gray
Herb Gray

Dear KSAT,

I would like to thank you for your donation to the Fraternity of Phi Gamma Delta's Bike to the Beach last spring. Our annual Bike to the Beach allows the Children's Shelter of San Antonio to buy clothes and shoes for needy children across the San Antonio area. Without donations like yours, this would not be possible. Thank you again.

Sincerely,

Saul Teska

Dear Jim:

We would both like to thank you for the leadership you have shown in this year's United Way campaign effort. Your pacesetter report of \$17,000 is an outstanding contribution to our total pacesetter amount of \$16,179,681. The generosity demonstrated by you and your associates at KSAT - TV 12 is truly admirable.

Thank you again, Jim, for your tremendous commitment to our local United Way effort. We are grateful for your leadership and support.

Sincerely,

Ronald K. Calgaard

Dear Jim:

I wish to convey sincere thanks to you for your recent excellent editorial comments on the water fluoridation issue. It will be a long journey, between today and November 7th. Your endorsement and lucid comments will certainly help educate the community.

Enclosed please find a brochure on our September 19th Congress on Children. You are welcome as our guest to all or any portion of the September 19th event. Please call if you would like to join us.

Sincerely,

Marian Sokol, Ph.D., MPH

A Vision for Children Center

Children 1st in the 21st!

The mission of A Vision for Children Center is to improve the quality of life for San Antonio's youngest citizens.

Congress 2000 will report the accomplishments of Congress '98, review the strategies of 2000 goals, and refine the action plans to continue A Vision for Children's mission.

Vision 2000 Children's Agenda

Health Care

- **Primary Care** Support the Children's Health Insurance Program and Medicaid program to assure health care for every child.
- **Oral Health** Educate the public regarding community water fluoridation.

Child Abuse Prevention

- Define, develop and implement a comprehensive awareness campaign.
- Collaborate with all systems for unified intervention.

Early Care and Education

- Promote public awareness about infant brain development, successful parenting and importance of quality early childhood education.
- Collaborate with all agencies in expanding and enhancing affordable quality child care.

Mike Jones
KSAI-TV
P O Box 2478
San Antonio TX 78215

Dear Mike,

I want to express our appreciation for the help you gave us in publicizing the City of San Antonio's February Household Hazardous Waste Collection. Your support of this important environmental program is vital to its continued success. We know that a lot of the participants get their information from your news, a fact that's borne out by the surveys we take at the front of the collection lines.

Thanks to efforts like yours in getting the word out, **San Antonio's is the largest Household Hazardous Waste Collection of its type in all of Texas!** Our goal is to get *every* San Antonian involved in proper disposal of household chemicals, and education is such a huge part of the program that the message bears repeating over and over. The great stories you do and the PSA's you provide make a big impact and are critical in helping San Antonians understand that this issue is important not only to the environment as a whole, but also to the safety of each individual family.

I especially want to thank you for the video you shot at the collection site. This was a particularly tedious collection to organize, since we were aiming to correct problems at this site due to the enthusiastic response of residents in this part of the city. It was great for your viewers to see that the City had responded in a timely manner by doubling the capacity for offloading the chemicals, something they wouldn't have known without the video!

I hope we can continue to count on your support for our future collections.
Thanks again!

Sincerely,

Eileen Pace

Mr. Jim Joslin, General Manager
KSAT 12
1408 N. St. Mary's
San Antonio, Texas 78215

Dear Jim:

Thank you for your partnership with the Cancer Center Council, the Cancer Therapy and Research Center, and the San Antonio Dermatological Society for the 13th annual Skin Cancer Screening Clinic. On Saturday, May 1st, our 17 volunteer physicians screened 672 people, most of whom came as a direct result of your promotion of this event.

Please see the enclosed list of what the doctors found, the number of patients, and how they became aware of the screening clinic. We know that your participation brought this event to the attention of many in your viewing audience, and quite possibly will have a direct effect of saving lives because of early detection of various forms of skin cancer.

We thank you for your enthusiastic and vital participation in this community service. On behalf of the 57 volunteers of the Cancer Center Council who worked on this project, we extend to you our sincere thanks and appreciation, and we hope to partner with you again to increase public awareness about skin cancer.

Gratefully yours,

MESSAGE:

Thank you so much for staying on the air for extended periods of time to bring us coverage of the flood.

It was helpful having this site to go to in order to get additional information. It helped to keep friends and family informed out of state. I flipped between the stations and there was a difference. If it had not been for all stations covering the event we would have missed important and vital information.

I want you to know that I speak for many when I say Thank you for the time you spent away from your families to bring information to us. WE appreciate what you did. Thank you for keeping us safe and informed. Some of the on-the-scene pictures were awesome. It was so helpful to be able to see what was going on around us that we were not aware of.

I was most impressed with the way the media was able to work with city officials and rescue workers in bringing us information. They worked as a team and a united resource that kept us safe and out of harms way.

I hope that you can be recognized for your outstanding contribution to our city during a time of need. I was most impressed.

Respectfully,

Terry Matthews

Mr. Browne,

I would like to ***Thank You!*** for your coverage of the storm Monday evening. I had received a weather alert stating that a severe storm was heading towards Hondo, so I decided to leave work a little early to prepare for it. When I got home my family were already watching your weather report. By watching your weather reports, I was able to contact my brother (who lives about two miles out of Hondo, in a double-wide) to inform him of the weather conditions. Right before the electricity went out, your stated that a severe storm was heading west on Highway 90. We were prepare for what was heading our way because of you.

On October 12, your newscast was a lifesaver -- you were the only one to inform us of two (2) tornadoes heading down Highway 90.

Thank you!

Dear Sponsor,

Thank you for your support of the American Heart Association's 2002 *American Heart Walk*, (Tax ID # 13 56 13797). Your donation of media coverage is greatly appreciated.

The American Heart Association is dedicated to the reduction of disability and death from cardiovascular diseases and stroke. Your contribution will further that mission by funding research, public and professional education, and community service. Your donation will help save lives.

While significant advances have been made, almost one million Americans still die each year from heart attacks, strokes, and other causes related to cardiovascular diseases. And the death rates from rheumatic fever, congenital heart disease, and hypertension disease continued to decline. Americans are changing their lifestyles to protect themselves from the ravages of heart disease. And slowly but surely, the battle against heart and blood vessel disease -- America's No. 1 -- is being won.

This letter is your receipt for your gift. Please keep this letter for your tax records. This letter is in compliance with current I.R.S. regulations.

Sincerely,

Fawn Foudray-Golich
Corporate Market Director
American Heart Association

Just wanted to say thank you.

I am a happily married father of 2 who is relieved to hear such a respectful and entertaining show in the morning. In an era where people will do anything for ratings, if it means cursing with no regard, or degrading others. But cutting through all this filth, you guys shine like a huge star for every hard working American who cares for their family and what they are exposed to. You understand your influence as a radio station and take that into account when doing your show. I listen to all types of music but, every morning I turn on yall's program in the house, truck and work place because I know yall will show that professionalism and respect are alive and well in America.

God Bless you and your program and I am spreading the word.

Thank you,

Mark

CONSUMER CREDIT
COUNSELING SERVICE

December 18, 2003

Ms. Chrissie Murnin
Y100
8122 Datapoint Dr., Suite 500
San Antonio, TX 78229

Dear Chrissie:

On Behalf of Consumer Credit Counseling Service of Greater San Antonio (CCCS), I would like to thank you for the opportunity to discuss the services we provide and our involvement in the community. You are a wonderful interviewer and put me completely at ease during the interview.

This time of year, even as people splurge on Christmas, there is often a foreboding as they realize that they soon will have to pay those debts off. Y100 is performing a real community service by getting the right information to consumers, so they don't pay excessive fees or get otherwise financially abused.

As a recap, CCCS's mission is to promote financial literacy and to educate consumers on the importance of money management and using credit wisely. We are members of the National Foundation for Credit Counseling (NFCC) and are accredited by the Council on Accreditation for Children and Family Services (COA). Our counselors are all certified through NFCC, and we are governed by a board of representatives from the local community. CCCS is the most recognized name in the industry and has been in San Antonio since 1984, so your listeners can feel comfortable that you are dealing with a reputable organization.

If you would like more information on our agency you may visit our website at www.cccssa.org or for more information on our industry you may visit www.nfcc.org.

I look forward to speaking with you again in the near future.

Happy Holidays,

Stephen Ynostrosa

OPENING AMERICAN MINDS

January 9, 2004

Ms. Peggy Saunders
Senior Account Manager
KISS, Cox Radio
8122 Datapoint Drive
San Antonio, TX 78229

Dear Ms. Saunders:

On behalf of the Hispanic Scholarship Fund, it is my pleasure to thank KISS, Cox Radio for your generous support. Your 2003 contributions totaling \$9,925 (Checks # 35064 and # 35237) for the KISS CD Promotion is most appreciated.

The money raised through this promotion will go towards scholarships for deserving Hispanic students from San Antonio to help fulfill their dreams of a college education. We believe the college scholarships that this significant funding makes possible will help to create future Hispanic leaders for Georgia and will thereby enrich our community for years to come.

This is an exciting time for HSF as we grow our programs, expand our outreach and are able to impact the lives of more and more deserving students. In our 26-year history, HSF has awarded over 61,000 scholarships totaling more than \$115 million, including awards made through the HSF Institute that was launched in 2001. We are proud of the fact that our programs are proving successful with 87% of all HSF Scholars receiving their four-year degrees. However, the need continues to outpace our resources, and ongoing support is crucial to helping us achieve our mission to double the rate of Hispanics earning a college degree to 18% by 2010.

Again, thank you for your wonderful support of HSF and Hispanic higher education. We've always enjoyed the good and very important work that KISS radio does on our behalf. We look forward to our continued progress.

Sincerely,

Christopher Padula
Donor Services Director

In compliance with Internal Revenue requirements, we hereby state that no goods or services were provided in consideration for this contribution.

OPENING
AMERICAN MINDS

May 10, 2003

Ms. Peggy Saunders
Senior Account Manager
KISS, Cox Radio
8122 Datapoint Drive
San Antonio, TX 78229

Dear Ms. Saunders:

On behalf of the Hispanic Scholarship Fund, it is my pleasure to thank KISS, Cox Radio for your generous support. Your 2003 contribution in the amount of \$5,650 for the KISS CD Promotion is most appreciated.

I am delighted that you supported HSF to raise money for scholarships to help Latino students fulfill their dreams of a college education. We believe the college scholarships made possible by this funding will help to create future Latino leaders and will thereby enrich our community for years to come.

This is an exciting time for HSF as we grow our programs, expand our outreach and are able to impact the lives of more and more deserving students. In our 27-year history, HSF has awarded nearly 54,000 scholarships totaling more than \$69 million, including awards made through the HSF Institute that was launched in 2001. This also includes 2,487 scholarships totaling \$17.2 million awarded through the Gates Millennium Scholars Program since its inception in 2000. We are proud of the fact that our programs are proving successful with 97% of all HSF Scholars receiving their four-year degrees. However, the need continues to outpace our resources, and ongoing support is crucial to helping us achieve our mission to double the rate of Hispanics earning a college degree to 18% by 2010.

Again, thank you for your wonderful support of HSF and Hispanic higher education. We look forward to our continued progress.

Sincerely,

Dear Janis,

What an Incredible Holiday Shopping Spree! Great sponsors! Great kids! Great chaperones! And all provided by the station that really cares for our children! Once again the KISS staff, La KASA and volunteers came through to provide the best Christmas ever. The new venue worked out very well and made the matchups much easier and gave everyone a place out of the hustle and bustle to congregate.

Please pass on to Jennifer and Alfonso our thanks for a job well done. You all and the effort and heart that you put into it make this event the highlight of our children's year. Thanks for all you, your station and your loyal listeners do to help give our kids a true childhood. You've made our Christmas merry. We wish all of you the same. You've earned it.

Sincerely,

Ned Gates
Director of Programs

We thank you for fostering our mission of helping boys and girls to become responsible adults.

From The Desk Of

NED GATES

Jennifer -

Thanks for everything that
you all do for our Boysville kids!

The Holiday Shopping spree is our
Christmas. The "100" and the time
each child receives is beyond community
service, ... it's community dedication.

Thanks to you folks from KISS
and hAKASA from the children of our
home.

Ned Gates

July 23, 2003

Mr. Ben Reed
General Manager
Cox Radio
8122 Datapoint
San Antonio, TX 78229

Dear Mr. Reed:

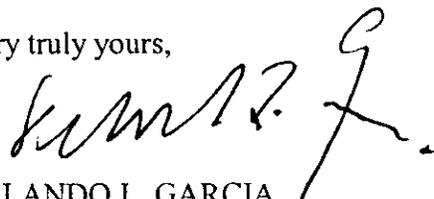

While driving yesterday near the noon hour, radio station KONO played our national anthem. I cannot tell you how much I appreciated the playing of the anthem. During these difficult and uncertain times, the playing of the national anthem reminds your listening audience of our country's strength. It rallies pride and patriotism and gives our community assurances that though the times have changed since September 11th our country remains the land of the free and the home of the brave.

I know the station could have played another song or sold the air time to an advertiser. Your playing of the national anthem demonstrates patriotism. We often think that only people show character and integrity. Your radio station demonstrated character and integrity beyond the call of duty in our community.

I don't know if you have received any letters or calls about this, but let me assure you that there is no doubt in my mind that hundreds and hundreds---if not thousands---of people in your listening audience enjoyed hearing the national anthem. I know it gave them feelings of patriotism, pride and security. I hope you continue this practice. Thank you from me and on behalf of everyone who listened and appreciated your playing of the national anthem.

Unfortunately, this letter cannot be shared with your listening audience under our code of ethics, but nothing prevents me from telling you that the playing of the national anthem was nothing less than a class act.

Very truly yours,

ORLANDO L. GARCIA
U.S. District Judge

Mr. Mark Bowka
KCJZ
8122 Datapoint Drive Suite#500
San Antonio, Texas 78229

Dear Mr. Bowka,

For me Fiesta 2003 contains many fond memories.

While these memories are still fresh, I wanted to write to thank you for continuing to help make Fiesta what it is. Through KCJZ's support of the Fiesta San Antonio Commission we were able to subsidize and oversee over 95 events. These events provide an economic impact in our community of well over 250 million dollars. But much more important than the money, is the development within our community... a community that congeals once a year during Fiesta. No amount of money can buy that.

Fiesta Commission President Irma Flores, once said, "Fiesta was like a Salsa". Salsa contains onions, red peppers, green peppers and tomatoes. Each vegetable on its own may be interesting, but when put together "with care", collectively becomes irresistible. You have helped The Fiesta Commission and our Participating Organizations put on a huge event "with care" and continue to make Fiesta irresistible. And for that...

I thank you and Viva Fiesta,

Edward G. Steves
President-Elect
Fiesta San Antonio Commission

Dear Chrissie,

July 1st 2002

I wanted to tell you how much I appreciate all you have done for me, my Mom and the Juvenile Diabetes Research Foundation. You are so sweet, intelligent, and truly a wonder woman! You let myself and the Roth twins and mother come on we've show to voice our commitment to finding a cure for diabetes. You were so wonderful to take the time to find the name + artist of the song I loved and sent my mom, a copy of our taping! People like you make it possible to see how human, southern hospitality is still alive today!

Thank you from the bottom of my heart.

Sincerely,
Erica Bayless

Ms. Alyce Ian
Y-100
8122 Datapoint, Suite 500
San Antonio, Texas 78229

Dear Alyce:

On behalf of Los Compadres and the San Antonio Missions National Historical Park, thank you for sponsoring our 14th annual Mission Bike Tour.

Your very fabulous contribution of radio promotion, on-site broadcasting and gift prizes helped make this event a great fundraiser for Los Compadres and our treasured missions. The 14th annual Bike Tour was a smashing success, in spite of the rainy weather. We actually had over 250 cyclists and volunteers brave the inclement weather and ride the Mission Trail!

This event has grown and it is now eagerly awaited each fall. The success of the Mission Bike Tour is due largely to your dedication and support. Please accept our thanks for your many, many donations – you are helping preserve a significant part of our heritage, the San Antonio Missions National Historical Park.

*Y100 and the
Bike Tour are
a great combo.
Thanks for
your support.*

Sincerely,

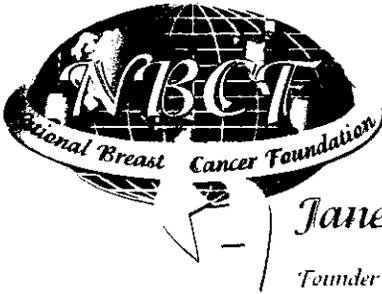

Christopher O'Connell
Bike Tour Chairman

Janelle Hail

Founder / President / CEO

November 5, 2003

Kristen Brassell
Promotions Director
KCYF FM
8122 Datapoint, Suite 500
San Antonio, TX 78229

Dear Kristen,

Thank you for supporting the National Breast Cancer Foundation's "Pink Ribbon Challenge," benefiting women in need of early breast cancer detection.

KCYF's commitment during October greatly helped thebreastcancersite.com reach, and surpass, this year's goal of funding 250 mammograms. Because of your station's support and your loyal listeners' generous participation, over 300 low-income, minority, homeless and working-poor women will now receive free mammograms.

One in eight women either have or will develop breast cancer in her lifetime. If it's detected early enough, however, the five-year survival rate is 95 percent. Mammograms are one of the best early detection methods, yet many women go without because they don't have the necessary medical resources. This is why NBCF focuses on funding free mammography programs across the nation.

NBCF is always looking for opportunities to distribute educational materials and for support during its fundraising events. In the future should you again want to support a top national charity geared totally toward women, please don't hesitate to contact Janelle Hail, NBCF president, or me personally.

I'll be in touch for next year's NBCF 2004 Pink Ribbon Challenge!

Kind regards,

Jean Lange

Chrissie

Just a note of thanks for the opportunity to be interviewed on your program. Getting out the word regarding the need for foster parents for disabled children is very important. You make a difference!

Thanks for the CD of the interview, too. It came in today's mail. Let me know if I can do anything for you.
All the best,
Roxie

2/24/02

Dear Chrissie:

Thank you for letting us talk about the Arc!! We are a well kept secret but quietly go about doing great work.

It was great fun to meet you + you made it so easy + relaxed.

Best wishes always
Karen

P.S.: Enjoy this for Arc notes

San Antonio, TX 78229

Dear Megan,

My, what a joy it was to be interviewed by you on Monday afternoon, October 14. You are such a pro! I don't think I have ever been interviewed by anyone who was better than you! I really mean that.

I have asked Stephanie Wiese of the San Antonio Habitat affiliate to get a tape of the interview because I would like to have it for our archives at Habitat International headquarters. Again, thank you for doing that most enjoyable interview.

If you are ever traveling in this part of the country, I hope you will come by for a visit. Please know that you will find a warm welcome awaiting you.

Sincerely and with gratitude,

Millard Fuller
Founder and President
