Re: WC Docket No. 04-36
Ex Parte Notice

Dear Ms. Dortch:

On March 30, 2004, Stephen Greenberg, CEO and Vice Chairman of Net2Phone, Glenn Williams, Executive Vice President and General Counsel of Net2Phone, and the undersigned met with Commissioner Jonathan S. Adelstein and his Legal Advisor for Wireline Issues, Scott K. Bergmann. During the meeting we discussed Net2Phone's business, technology, products and services, and its experience providing Voice over Internet Protocol ("VoIP") in the United States and in foreign markets. We also discussed various issues related to the Notice of Proposed Rulemaking in the above-referenced docket, in particular, the need for exclusive federal jurisdiction over VoIP and other IP-enabled services.

Consistent with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, one copy of this notice is being filed electronically in the above-captioned proceeding. Please direct any questions concerning this matter to the undersigned.

Sincerely,

E. Ashton Johnston
