RE: **Notice of Ex Parte Communication**

WC Docket Nos. 02-33, 02-52, 01-337, 01-338, 03-266, 04-36

Dear Ms Dortch.

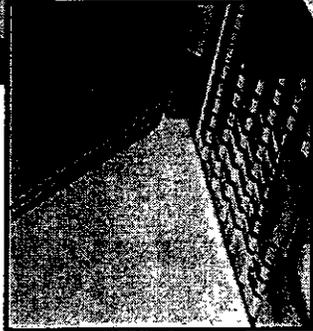

On March 31, 2004, Steve Gray, James Thompson and Bill Courter met with Commissioner Abernathy and Senior Legal Advisor Matt Brill regarding issues in the above-referenced docket concerning the possible impact on the facilities-based CLEC industry. We are also filing the attached document that was discussed and left behind during this meeting.

Very truly yours,

  
William H Courter  
Assistant General Counsel

Cc Commissioner Abernathy  
Matt Brill

- Outstanding operational performance...service delivery, billing and customer care
- Excellent reputation for high quality service
- Commitment to excellent, long-term customer relationships

Cost Effective Solutions for **ALL** Communications Needs  
with Great Service and No Surprises!

# Multiple proceedings on CLEC access to "Bottleneck" facilities

## VOICE • DATA • INTERNET

- 271 Forbearance
  - 271 approvals just completed
  - Basic premise . . . RBOC obligations continue
  - Independent obligation exists
- VoIP
  - Last-mile facilities cannot be replicated
  - Need Title II access to IP-enabled loop and transport facilities
  - Maintain existing ability to use collocations for VoIP
- Fiber-to-the-Home
  - Home means home -- not curb
  - Slippery slope
  - RBOCs have not curtailed investment
- Broadband NPRM
  - Residential only; Retail
  - Not wholesale or underlying facilities

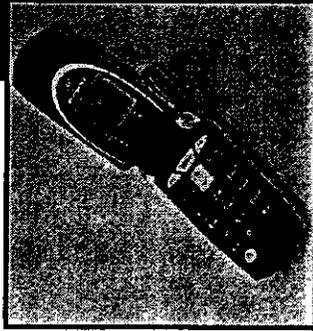

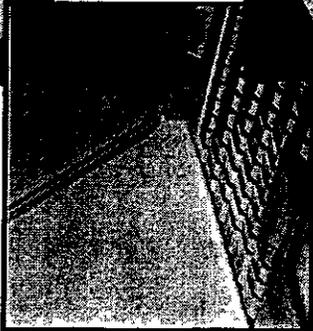

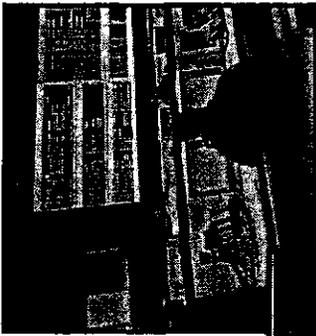

The individual impact, much less cumulative,  
could end bitmodal competition

# Key Requirements

## VOICE • DATA • INTERNET

- **Loops**            Continued unbundled access and full use at TELRIC
- **EELS**            Continued unbundled access and full use at TELRIC
- **Transport**       Continued unbundled access and full use at TELRIC
- **Switchport**      1 – 2 year transition @ TELRIC pricing in competitive markets
  
- **Pricing**            **UNEs at TELRIC**  
  
                              **“Just and Reasonable” for non-UNEs**  
                              – strict and expedited enforcement  
  
                              **All pricing subject to imputation**  
  
                              **NRCs continue to be a barrier to facilities-based competition**
