(3) **Funding Request Numbers Appealed**

FRNS -957562,961011

(4) **SLD's Reason for Funding Denial**

The SLD stated that funding is denied because:

“Documentation provided demonstrates that price was not the primary factor in selecting this service provider’s proposal.”

(5) **Price was the primary factor in selecting both vendors.**

- a) The Berkeley County School District (Berkeley) prepared and timely filed a FCC Form 471 for telecommunications service with Verizon Network Integration, Inc. and State Electric Supply for Internal Connections. The State

of West Virginia selected Verizon to provide hardware/service to K-12 schools *via* a bid process. See attachment A. In the same manner (*via* a bid process, the State of West Virginia selected State Electric Supply to provide Internal Connections to K-12 schools.

- b) Not only has the State of West Virginia repeatedly stated to the SLD how vendors are selected for K-12 purchases, always a bid, Berkeley has similarly stated the same to the SLD on every occasion. Price was the primary factor in selecting both vendors; price is the primary factor in selecting bidders in West Virginia for K-12.

Conclusion:

Berkeley is Requesting the Following Action by the FCC:

- (a) Within 90 days or less Order funding for the telecommunications services requested in the 471 Application, specifically FRNs –957562, 961011**
- (b) Set aside funds to totally fund Berkeley's request.**

Respectfully submitted,
