Re: *WT Docket 02-55 -- Notice of Oral Ex Parte Presentation*

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's rules, Verizon Wireless, by its attorney, hereby notifies the Commission that on April 21, 2004, the following individuals met with Jennifer Manner, Legal Advisor, Office of Commissioner Kathleen Q. Abernathy, to discuss the above-captioned proceeding: John T. Scott, III, Vice President, Deputy General Counsel, Regulatory Law, Verizon Wireless; R. Michael Senkowski, Wiley Rein and Fielding; and the undersigned.

We emphasized Verizon Wireless's well-documented views on the legal risks associated with Commission adoption of the Consensus Plan, particularly in a manner that involves a private sale of spectrum to Nextel. We also discussed 1) Nextel's original submission in the docket, which proposed the use of the 2.1 GHz band (rather than 1.9 GHz) as "replacement" spectrum; 2) market-by-market rebanding and licensing of any "replacement" spectrum; and 3) Verizon Wireless's view that the Commission should announce its intent to auction the 1.9 MHz band.

Should you have questions or need additional information, please do not hesitate to call.

Respectfully submitted,

/s/
Kathryn A. Zachem
