

Attachment to Kaplan Affidavit

A W Acquisition Corp. (“AWA”), a plaintiff in a lawsuit against Cingular Wireless, Inc. (“Cingular”), a copy of which is provided herewith, severed its relationship with Cingular as a result of Cingular’s misconduct. Subsequently, A W Acquisition Corp. became an AT&T agent on October 1, 2003. AT&T canceled our contract for no cause effective June 28, 2003, forcing us to seek yet another company with whom to affiliate. If the FCC approves the merger between AT&T and Cingular, AWA will face an even bigger opponent in the lawsuit.
