

Attachment to Calderon Affidavit

Airborne Beepers & Video, Inc. (“Airborne”), a plaintiff in a lawsuit against Cingular Wireless, Inc. (“Cingular”), a copy of which is provided herewith, severed its relationship with Cingular as a result of Cingular’s misconduct. Subsequently, Airborne became an AT&T agent. If the FCC approves the merger between AT&T and Cingular, Airborne will again be forced to become an agent of Cingular or be forced to close its business.
