

I am concern about some radio stations in Kansas City, Missouri and the extreme obscenity they have on their station. However the radio station I am more concerned about more in Kansas City, MO., is KFKF-FM 94.1 Radio, an FM country music radio station owned by Infinty Radio Broadcasting Corporation in New York City, New York. My understanding is that the FCC cracked down on KFKF-FM Radio in Kansas City for obscene material used on their radio station, and because of that the program director and general manager of KFKF-FM Radio decided to have KFKF-FM become a family oriented radio station, however I still here them use some obscene words which I won't share with you on this comment. If you want to know what the words are you can email me, or write me a letter and send it to me at my mailing address. I have respects for KFKF-FM Radio, so I don't want file a complaint about KFKF-FM Radio. I want to make a difference for that radio station. Thank you.
