

I am an avid listener of XM Radio. I think it's great. I love that I can listen to what I want to listen to at anytime. If there is something I don't want to listen to I can just change the channel that's why there are dials for just that purpose.

I feel that this is one of the reasons are country is so great is that we have freedom of speech. If that gets taken away then before long all of our ammendments that this country was founded on will be taken away. So then I guess that you want America to be like all those other countries that have no freedom and no rights. Well hopeful that will never happen and this will be just the start I SUPPORT XM RADIO AND I OPPOSE HR 4026!! LONG LIVE HOWARD STERN!!
