Petition for Limited Waiver and Extension of)	
Section 52.31 of the Commission's Rules)	

To: Chief, Wireless Telecommunications Bureau

**NOTICE OF COMPLIANCE
IN SUPPLEMENT TO
PETITION FOR LIMITED WAIVER AND EXTENSION
OF TIME TO PORT NUMBERS TO WIRELESS CARRIERS,
TO SUPPORT NATIONWIDE ROAMING OF PORTED NUMBERS,
AND TO PARTICIPATE IN THOUSANDS BLOCK NUMBER POOLING**

Yorkville Telephone Cooperative, Inc. and its subsidiary, Yorkville Communications, Inc. (jointly referred to herein as "Yorkville"), by its attorneys, hereby informs the Commission that Yorkville has successfully initiated wireless local number portability ("WLNP") services, support of roaming by customers with pooled or ported numbers, and implementation of thousands block number pooling obligations in compliance with FCC requirements. Switch upgrades are complete and Yorkville is technically able to perform its obligations. Yorkville has completed the exchange of Trading Partner Profile documentation with carriers from whom it has received LNP requests, and port requests are being processed by Yorkville. All numbering

administrative tasks are complete and Yorkville has overcome all technical obstacles in preparation of porting and pooling and support of roaming services for ported and pooled numbers.

In accordance with the FCC's Order in this proceeding, Yorkville is meeting its porting and related obligations within sixty days following the date of release of the Order on May 24, 2004. Yorkville has made use of the limited time during the FCC's period of non-enforcement to complete system upgrades, while avoiding network disruptions and minimizing inefficiencies.

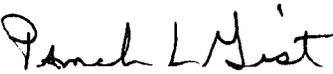

With gratitude for the attention the Commission has given to this matter, Yorkville is pleased to confirm that the transition is complete.

Respectfully submitted,

YORKVILLE TELEPHONE COOPERATIVE, INC.

and

YORKVILLE COMMUNICATIONS, INC.
