Docket No. 02-55

Dear Ms. Dortch:

This is to notify you that on June 8, 2004, on behalf of Southern Communications Services, Inc., d/b/a/ Southern LINC (“Southern”), I spoke by telephone with Michael J. Wilhelm of the Wireless Telecommunications Bureau to discuss Southern’s concerns, as expressed in its submissions in this docket, concerning the accommodation of all of Southern LINC’s system in the commercial portion of the 800 MHz band in the event the Commission were to adopt some form of rebanding.

In accordance with the Commission's rules, one copy of this *ex parte* notice is filed electronically for inclusion in the record of the above-referenced proceeding.

Very truly yours,

/s/ Christine M. Gill
