**Lake Travis Community Library**

The Lake Travis Library is located in the Lake Travis High School Building at 3322 Ranch Road 620 South and is open for the use of all Lake Travis area residents.

**HOURS**

During the School Year:

8 am until 8 p.m. - Monday

8 am until 6 p.m. - Tuesday through Thursday

8 am until 4 p.m. - Friday

10 am until 2 p.m. - Saturday

Summer Hours:

10 am until 8 p.m. - Monday

10 am until 6 p.m. - Tuesday and Wednesday (Closed Thurs/Fri)

10 am until 2 p.m. - Saturday

**On-Going Book Sale**

The Friends of the Library have an on-going book sale in the Library, open during regular business hours listed above. Books are \$5.00 a bag. Available are new and used books, antique and collectible books, children's books, travel, etc. These are books that have been donated to the Library. Proceeds are returned to the Library in the form of equipment and new purchases for the collection.

This library was established in 1985 as a shared resource with the Lake Travis High School. The combined collections of the library total 24,700 items, including adult and children's literature, paperbacks, non-fiction, reference materials and books on tape. Users also have access to the Internet and to special databases on CD-ROM. Books not available locally may be obtained through inter-library loan services.

The library is staffed by the High School Librarian, assisted by the assistant librarian and volunteer services provided by the Friends of the Library. For information call 263-2885.

**Parking Regulations**

due to increased traffic within the City, a new City Ordinance has been passed (July 23, 1999) which prohibits parking on any portion of the following streets:

- Lakeway Boulevard
- Lakeway Drive
- Lohmans Crossing Road
- Hurst Creek Road

Parking regulations remain unchanged for other streets within the City. On all other streets, if the shoulder of the is so narrow that the entire vehicle cannot be parked on it, the vehicle may encroach up to 18 inches onto the paved surface of the road. In no case can the road be blocked to emergency vehicles.

As a reminder, it is unlawful to park any truck, bus, trailer, mobile home, recreational vehicle, boat, houseboat or similar waterborne vehicle on any public right-of-way.

**Welcome to the Lake Travis Independent School District****1999 District Profile**

- [Who do I contact?](#)
- [Administrative Staff](#)
- [District TEA Accountability Rating: 2000-01](#)
- [LTHS TEA Accountability Rating: 2000-01](#)
- [District Data \(1999-00\)](#)
- [TAAS Testing \(1999-00\)](#)
- [SAT Scores \(1999-00\)](#)

The Lake Travis Independent School District (LTISD), west/northwest of Austin, encompasses 118.2 square miles along the southwest shores of the 65-mile long Lake Travis. The rolling hills and spatial openness of the Texas Hill Country belies the District's close proximity to the metropolitan amenities offered by Austin. The District covers an area bordered by Mansfield Dam to the North, the Pedernales River to the West, the Hays County Line to the South, and Bee Cave Road and Barton Creek (plus two newly annexed areas) to the East. Some communities and developments served by the District include: Apache Shores, Bee Cave, Briarcliff, Travis Settlement, Homestead, Hudson Bend, Lake Pointe, Lakeway, The Madrones, The Preserve, The Uplands, The Hills and Vineyard Bay.

**History and Facilities**

The LTISD, originally a component of the Dripping Springs Independent School District, was formed on June 12, 1981. At that time, 541 students were enrolled in grades K - 12. Since then, the enrollment of the LTISD has increased to 3,750 students and facilities to include:

Lakeway Elementary School [Grades K-5]  
Lake Travis Elementary School [Grades K-5]  
Bee Cave Elementary School [Grades K-5]  
Lake Travis Middle School [Grades 6-8]  
Lake Travis High School [Grades 9-12]

On January 31, 1998, the LTISD community passed a \$41 million dollar bond issue. Bee Cave Elementary School and one classroom wing at the high school opened in August 1999. The following is still under construction:

Completion - January 2000

- Second Classroom Wing at high school
- 1500-Seat Auditorium at high school

Completion - Spring 2000

- Stadium/Related Athletic Facilities at high school

Completion - 2000 - 2001 School Year

- Hudson Bend Middle School

**Teaching Staff**

The teaching staff of LTISD is its greatest asset. Graduate level degrees are held by approximately 30% of the teachers and the average teaching experience is 12 years. Members of the student body never lack encouragement and support as approximately 55% of the teaching staff is involved with UIL academic coaching, athletics and extra-curricular activities.

**Community Involvement**

Community involvement is welcomed and appreciated by the LTISD. All schools have a Site-Based Decision Making Committee comprised of elected staff members and community volunteers. The purpose of the Site-based Committee is to review all aspects of the school and make recommendations for the betterment of the school and its programs. Community involvement is encouraged through the Partners in Education Program, which includes SHARE (classroom enrichment speakers) District Partnerships and Volunteers in Public Schools. The District has an active Community Education Program and facilities are used extensively by community organizations. The high school library serves as the community's public library.

**Recognitions**

Through the Texas Accountability System and Texas Successful Schools Award System, in 1998-99 the District received a "Recognized" rating. Lakeway Elementary School and Lake Travis Middle School received "Exemplary" ratings; Lake Travis High School and Lake Travis Elementary School received "Recognized" ratings.

The Lake Travis ISD received an "Exemplary" rating for the 1995-96 and 1996-97 school years, and a "Recognized" rating for the 1997-98 school year.

## Who We Are

The Lake Travis Education Foundation (LTEF), started in 1985, is a non-profit organization comprised entirely of volunteers. Since its inception, the Foundation has labored -- mostly behind the scenes -- to raise money to support the students and teachers of the Lake Travis Independent School District: to fund needed classroom projects, award scholarships to exemplary high school seniors, and respond to special needs as money is available.

In fact, to date the Foundation has awarded over \$358,000 in monetary gifts.

In essence, we have become the conduit through which our community can immediately and positively impact all of our campuses; a mechanism to help offset growing shortages caused by explosive growth and the state-mandated "Robin Hood Plan," to which the LTISD loses millions in tax dollars annually.

The bottom line is this ...

***One hundred percent of all contributions made to the Lake Travis Education Foundation remain in the school district to benefit the school district.***

And, because we are a non-profit, 501(c)3 organization, these contributions are fully tax deductible as allowed by law (less the value of any membership level gifts).

The concept of an Education Foundation is a relatively new phenomenon and, in fact, the LTEF was one of the first in Texas. LTEF Board Membership (there are a maximum of 30 Directors at any given time) orchestrate a variety of fundraising events, including an Annual Gala and Auction, in order to pursue our goals.

Historically, one-half of all the money raised by the Foundation goes into building the LTEF Endowment Fund. The other half, together with interest earned from the Endowment Fund, goes directly to providing financial assistance to the Lake Travis Independent School District -- for scholarships, educational classroom projects and supplies, and special assistance for handicapped and/or gifted children.

We cooperate with, but work independently from, the LTISD and its Board of Trustees and, hence, can move more quickly on educational needs and respond more flexibly to items that are not easily addressed by the schools themselves.

## What can the Foundation do for you?

### If you're a student ...

The answer is *plenty*! You may be interested to learn that we award scholarships every year to graduating Lake Travis High School Seniors. Recipients are usually in the top 25% of their class academically, excel in extracurricular activities, and volunteer for community and other services. To learn more, call us.

### If you're a teacher ...

On the other hand, if you're an educator -- grades K through 12 -- with a particularly creative or deserving classroom project, the Foundation awards mini-grants to fund your project in the fall of each year. Give us a call and we'll send you an application.

### If you prize education ...

Formed in 1985, the Lake Travis Education Foundation is a non-profit organization that exists solely to support our students, teachers, and administrators. You can become a Friend of the Foundation through your tax deductible contribution. Through our Teacher Appreciation program, you can honor those special educators in your child's life. Or you can take part in fundraising events, such as our Annual Gala. To join in the effort, give us a call.

Welcome to Lake Travis Schools

---

Welcome to Lake Travis Elementary!  
1999-00

Lake Travis Elementary School  
607 Ranch Road 620 North

Jay Garza, Assistant Principal

**School Motto** *"Respect, Responsibility and Quality"*

**Total Enrollment** 630

PPCD 10

Kindergarten 112

Grade One 90

Grade Two 104

Grade Three 111

Grade Four 117

Grade Five 86

Faculty 62

Masters Degree+ 29.0%

**Curriculum**

LTES strives to bring all students into an environment in which each student has the opportunity to be successful. This desire for individual student success has led to the development of an instructional program designed to meet the academic, social and emotional needs of each student. Language arts, mathematics, science and social studies are taught utilizing an interdisciplinary format through the teaching of specific skills. Flexibility in this program allows the staff to individualize teaching strategies, which increases the probability of success by the student and allows the teacher to maintain high expectations. Grades 1, 2, 3 and 4 implement "Flexible Grouping" as a Project Read approach.

**Special Area Classes**

LTES provides a variety of programs to support student needs. They include: Pre-school Program for Children with Disabilities, Creative Education Institute, Content Mastery Class, English as a Second Language, Bilingual Education, Classroom Instructional Technology Assistance, Project Read, Special Education, UIL, Gifted and Talented, Accelerated Reader, Mentor Program, Drug Abuse Resistance Education, Extended Care, Parenting Classes, Summer Squires, and many more.

**Special Area Classes**

LTES offers the following Special Area Classes for Grades K - 5: Physical Education, Art, Music and Spanish [Grades 4-5 only]

**Grading System**

Kindergarten students receive a learning profile reflecting the growth of the child in areas of cognitive and social development.

Grade 1 students receive a progress letter describing what the student learned the first six-weeks of school. A report card is sent home the remainder of the year with the following: Excellent, Satisfactory, Needs Improvement and Unsatisfactory.

Grade 2, 3, 4 and 5 students receive numerical grades in the following subjects: Language Arts, Reading, Math, Science, Social Studies and Spanish [grade 4-5 only]. Letter grades are given in PE, Art, Computer and Music

**Conduct**

There is a campus-wide discipline program for Grades 1 - 5, based on the 100-point system. Students are given a numerical grade [100-0] for their six-weeks conduct. On the first day of each six-weeks, 100 points are given to the student. Points are subtracted based on the inability to follow school rules. Positive reinforcement is provided each six-weeks with recognition of:

- Golden Squires 100 points
- Silver Squires 95-99 points

**Perfect Attendance & Honor Roll**

Students are recognized each six-weeks for Perfect Attendance and Honor Roll.

**Student Service**

Student Council, Safety Patrol, Kinder Buddies, Cub Scouts, Brownies/Girl Scouts

**TEA-AEIS Rating**

Lake Travis Elementary School is designated as "Recognized."

**Curriculum**

Lakeway Elementary School strives to create a positive learning environment geared to meet the needs of students, teachers, and the community. We expect the students to gain self-esteem, problem solving skills, leadership qualities, and develop a "team-player" attitude as they acquire a life-long desire to learn. The teachers, school staff, parents and community encourage LWES students to meet high expectations for learning and behavior. Language arts, reading, writing, math, science and social studies are integrated through a unit approach. Social Skills and Character Education, which include behavior expectations, are taught daily. Students are expected to make good decisions for their learning and behavior based on what they are taught. Drop Everything And Read is built into the daily schedule to help establish a life-long love of reading. A reading teacher is available to offer help as needed. In the library, students learn to enjoy literature, use the library and develop research skills.

**Support Programs**

LWES offers the following support programs for Grades K - 5: Resource, Learning Lab, Content Mastery Class, Speech, Special Education, Gifted and Talented, Counseling, Health Services, UIL Academics, After School Extended Care, Tutorials [Grades 2-5], Choir [Grades 4-5] and Community Education Classes.

**Special Area Classes**

On a rotating basis, LWES offers art, music, physical education and a variety of computer skills. Students in Grades Four and Five receive Spanish instruction every other day.

### **Grading System**

Kindergarten students receive a learning profile reflecting the growth of the child in areas of cognitive and social development.

Grade 1 students receive a progress letter describing what the student learned the first six-weeks of school. A report card is sent home the remainder of the year with the following: Excellent, Satisfactory, Needs Improvement and Unsatisfactory.

Grade 2, 3, 4 and 5 students receive numerical grades in the following subjects: Language Arts, Reading, Math, Science, Social Studies and Spanish [grade 4-5 only]. Letter grades are given in PE, Art, Computer and Music

### **Student Recognition**

- Perfect Attendance [End of Six-Weeks/Year]
- Academic/Citizenship Awards [End of Year]
- Honor Roll [End of Six-Weeks]
- UIL Awards [End of Year]
- Good Office Visits [Daily]
- Mustang Award [End of Month]

### **Student Service**

- Student Council and Safety Patrol [Grades 3-5]
- Recycling, Kinder Buddies [K & 5]
- Giving Projects
- Mustang Madness-School Store
- Community Service Project [GT Program]

### **TEA-AEIS Rating**

Lakeway Elementary has been an Exemplary School for three years.

**School Mission**

*"Recognizing the challenges of adolescents, our mission is to guide all students by providing the opportunity for academic excellence, personal growth, and civic responsibility."*

**Total Enrollment** 895  
Sixth Grade 293  
Seventh Grade 312  
Eighth Grade 290  
Faculty Members 75  
Masters Degree+ 25.3%

**TEA-AEIS Rating**

LTMS received an Exemplary Rating from the Texas Education Agency each year since 1995. It was designated as an Outstanding Performing Campus in '93 and '94.

**Curriculum**

The curriculum is designed around the core academic classes of mathematics, science, language arts, and social studies. Teaching methodologies that emphasize the student as the center of the learning process are employed. Teachers are organized in grade level teams with a common planning time to discuss student progress, plan lessons, integrate instruction and conference with parents.

**Mentor Program**

The "Be a Friend" mentor project, a cooperative effort of volunteers from businesses, organizations, and the school district, is designed to encourage students to do their best in school and make wise decisions.

**Requirements**

Students are required to enroll in Math, Science, Language Arts, and Social Studies in all grades. In addition, the following courses are required at students respective grade levels:

Sixth Grade

Health [9 weeks]

Computer Training [9 weeks]  
Physical Education [1 semesters]  
Fine Arts Electives [2 semesters]

Seventh and Eighth Grade

Physical Education [2 semesters total in either seventh or eighth grade]  
Computer Literacy [integrated in all grades]

**Elective Courses**

The elective curriculum offers a broad array of courses, including: Athletics, Health, Physical Education, Spanish, Dance, Art, Choir, Theatre Arts, Band, Orchestra, Publications, and Industrial Technology.

**Extra Curricular Programs**

Students at all grade levels have the opportunity to participate in UIL academic competition, NJHS, Math contests, and Choir, Band, Theatre Arts, and Orchestra programs. UIL athletic competition is offered in Grades 7 and 8 in Football, Basketball, Track and Field, Tennis, Golf and Volleyball.

**Special Programs**

Academic support programs include:

English as a Second Language, Gifted and Talented, Speech Therapy [Special Education], Health Care [Nurse], Mentorship Program, Media and Student Production Center, Special Education, Physical and Occupational Therapy, Counseling Programs

**Computer/Library Facilities**

The LTMS library houses approximately 20,000 volumes, as well as periodicals, newspapers, on-line databases and Internet access for research. Computers are available for student use in classrooms and lab settings. All computers are networked and have Internet access. Over 100 software titles are available for production, research and computer-aided-instruction.

LTHS has two academic counselors with vertical student assignments and one At-Risk Counselor.

Ruby Casteel [Students A-K] 533-6112  
Sharon Bishop [Students L-Z] 533-6111  
Margaret Estafan [At-Risk Students] 533-6168

**Curriculum**

Academic program offers more than 190 courses.

Core curriculum requires 24 credits for graduation at the academic level and 26 at the advanced level. Both exceed state requirements.

Advanced Placement courses include: English Language and Composition, English Literature and Composition, Spanish V, US History, European History, US Government, Calculus, Statistics, Biology, Chemistry, Physics and Computer Science.

Elective Courses include: Music, Dance, Orchestra, Music History, Theater Arts, Art, Speech, Debate, Journalism, Introduction to Business, Personal Finance, Horticulture, Agriculture, Wildlife, Floral Design, Architecture, Graphics, Drafting, Computing,

Accounting, Latin, French, Spanish, American Sign Language, Home Economics and Hospitality Management.

Extra-curricular Programs include: Band, Orchestra, Choir, Dance Team, Cheerleading, Student Government, UIL Academics and Athletics

College entrance testing and scholarship information available.

Students are recognized for academic achievement through special awards.

### **Special Needs Instructional Programs**

Special Needs Programs include: Special Education Program, Reading/Dyslexia Program, 504 Program, English as a Second Language Program, Advanced Placement/Gifted and Talented Program, Honors Classes, Content Mastery Program.

### **Grading Scale**

- A [90 - 100]
- B [80 - 89]
- C [70 -79]
- F [69 or below]

Grade Point Average [GPA] is figured numerically on a 100-point scale and weighted with the following assigned point values to Honors and Advanced Placement courses: A - 10 points; B - 8 points; C - 6 points.

### **Governance**

The LT High School fully supports a Total Quality Management approach to governance through collaborative management. The Site-Based Decision Making Committee, comprised of staff, students, teachers, parents and community members, meets regularly to advise the principal on issues such as performance goals and objectives, climate, budget and staffing.

### **1999-00 National Merit Scholars**

Four National Merit Semifinalists; six Commended Scholars; two Hispanic Scholars.

### **Block Scheduling**

LTHS courses use an accelerated block format; thus, most courses are completed in 18 weeks. This format resembles a college course schedule.
