

My comments will be related to TV-captioning. I want to let you know that I appreciate the TV-Captioning service we have. Without TV-captioning, we wouldn't be able to enjoy the TV programs and movies. I think TV-program is a great services for the Deaf. I'd like to see it improve to be able to caption all TV programs and not just a selected few. News at night or during the day always have problems with closed-captioning. Sometimes it would be nice to be able to understand what is going on. Great Job on the current rules with TV-Captioning and it would be great to see some improvements. Thanks, Michael Barney
