FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

CC Docket No. 96-45

**Amendment To Petition For Designation As An  
Eligible Telecommunications Carrier in the State of North Carolina**

North Carolina RSA 3 Cellular Telephone Company d/b/a Carolina West Wireless (collectively, "Carolina West"), by its counsel, submits this Amendment to its Petition for Designation as an Eligible Telecommunications Carrier ("ETC") pursuant to Section 214(e)(2) of the Telecommunications Act of 1934, as amended ("Act"), 47 U.S.C. § 214(e)(2), and Section 54.201 of the Federal Communications Commission's ("FCC") rules, 47 C.F.R. § 54.201.

Carolina West hereby provides the Commission with additional information in connection with its above-referenced petition for ETC status in the state of North Carolina<sup>1</sup>. In its Petition, Carolina West indicated that it is seeking to redefine the service area of Wilkes Telephone Membership Corporation ("Wilkes") because Carolina West only partially covers Wilkes' Boomer wirecenter.<sup>2</sup>

Since making its initial filing, Wilkes has notified Carolina West that the boundaries as drawn by Carolina West on its ETC map at Exhibit A to the Petition inaccurately reflect

<sup>1</sup> *North Carolina RSA 3 Cellular Telephone Company*, CC Docket No. 96-45 (June 8, 2004) ("Petition").

<sup>2</sup> *Petition* at para 55.

coverage of the Boomer wire center. Wilkes has provided data to Carolina West confirming that Carolina West's authorized CGSA covers the Boomer wire center in its entirety.

Based upon this updated information from Wilkes, Carolina West has revised its ETC map, as well as, Exhibits, B, C and I to its Petition to reflect that Carolina West covers Wilkes' service area in its entirety. The amended map and exhibits are submitted with this amendment. Carolina West asks that these replacement exhibits be properly associated with its Petition and that the request for redefinition of Wilkes' service area be removed from the ETC petition.

WHEREFORE, pursuant to Section 214(e)(2) of the Act, Carolina West respectfully requests that the Commission, (1) amend its Petition to reflect the above-referenced material, (2) enter an Order designating Carolina West as an ETC for its requested ETC service area as shown on Exhibit A hereto, and (2) certify to the FCC that Carolina West will use the support for its intended purpose.

Respectfully submitted,

**North Carolina RSA 3 Cellular Telephone Company**
