Recreational Complex

- Locate the Complex
- Softball Park
- Walking Trail
- Outdoor Classroom
- Tournament Schedule

The Okemah Recreational Complex is in full gear for all your recreational needs. Softball, baseball, walking and running are activities the entire family can enjoy at the Complex. The Complex contains four base/ball softball fields, a well lit 3/4-mile walking trail, an educational outdoor classroom and wetland area.

Thus far, \$140,000 has been contributed in donations toward this project. Many volunteers, too numerous to mention, have worked countless hours to bring this dream into reality. Each of the four ballfields is sponsored by a local business. Those sponsors are the Okemah National Bank, Citizens Bank, Okemah Indian Community and the Okemah High School. The CIA is proud to offer the Recreational Complex as a contribution toward Okemah's goals as a Century Community.

Currently the CIA has one full-time employee who works on this project daily, and supervises work done by county inmates. Everyone is welcome to assist in the construction of the Complex, as well as the use of it. The Complex is being built and operated by the Okemah Community Improvement Association (CIA) with assistance from the City of Okemah.

Locate the Complex

Located at 800 East Date Street in Okemah, Oklahoma, the facility is easy to locate. From Interstate 40, take Exit 221, turn two blocks north, then eight blocks east and you'll pull directly into the parking area. The Recreational Complex is directly across the street from the new Okemah High School.

Health Care

Refer to Chamber Member Directory for a list of specific health care providers.

Okemah's hospital has 34 beds and a helipad for airlift of severely ill or injured patients. The hospital serves the entire community, not just Native Americans. It also provides 24-hour, fully trained Emergency Medical Technicians as part of its ambulance service.

Okemah can serve your needs in the area of vision care, dental care, chiropractic care and family medical care. Several pharmacies are located in Okemah. Mental health counseling and chemical dependency counseling are available as well. Medical equipment for the elderly and disabled are readily available. Excellent care for the elderly is provided by our city's two nursing homes.

Okemah is also the site of the **Okfuskee County Health Department** which has nine full-time employees and eight other staff members who split their time between Okfuskee, Creek and Pottawatomie Counties.

We can also provide health care to your pets through our local veterinary clinic.

See Chamber Member Directory for a list of member churches.

The spiritual needs of Okemah are ministered to by 18 churches representing almost every major denomination. Much of Okemah's social life is centered around its churches. The churches draw the city's residents together to strengthen and encourage them as they go about their endeavors throughout the week. Religious leaders are strong in their support of those activities and programs which strengthen the family bond and enhance the community's well being. The Okemah Ministerial Alliance, which coordinates relief measures in times of emergencies, also conducts community services at Thanksgiving and Easter.

Schools

The Okemah School District is a rural district serving more than 900 students in kindergarten through twelfth grade. The District operates three schools: Okemah Oakes Elementary, Okemah Middle School, and Okemah High School. High school students in the eleventh and twelfth grades have the option of attending the Wes Watkins Career and Technology Center in Wetumka. The District also offers an alternative education program in the evening.

The Okemah Public Schools have a history of promoting a program of strong academics. With the belief that all students can and should learn, the board of education, administration, staff and patrons of the Okemah Public Schools are committed to maintaining and improving the existing educational system. The citizens of the District gave approval to a \$2,385,000 bond issue in September 1999 for the construction of a new high school building. The new building was completed in 2001. The construction of a road to the new high school was a \$800,000 project. Nearly \$600,000 was provided through Creek Nation of Oklahoma and the Bureau of Indian Affairs. The remaining amount was paid for by the City of Okemah.

The elementary school is a Great Expectations School and has established high expectations for the students and staff. Students are taught to accept responsibility for their own actions and that "If you can't make a mistake, you can't make anything". Great attention is placed on student behavior and on students working toward set goals. The elementary school also places a strong emphasis on reading with the belief that a student who can not read will be greatly disadvantaged in a very competitive world. As students progress through the grades and study the other disciplines of the educational program, they continue receiving instruction in reading to insure greater literacy and proficiency.

The Okemah Middle School uses the Great Expectations approach. The middle school students and staff are working to prepare students for success in high school, college, and/or employment. The middle school students receive instruction in the core curriculum as well as Spanish, creative writing, art, vocal and instrumental music, computers, and community service.

Okemah High School	918-623-1274

Oakes Elementary School	918-623-1744

Superintendent of Education

918-623-1874

For more information, visit the **Okemah Public Schools**.

Okemah Public Schools provide an extremely high quality education for students. The progressive educational system, accredited by the North Central Association of Colleges, provides a modern curriculum which features an honors program for high school students in preparation for higher education institutions. Classes for the gifted and talented students receive high ratings, as do the school's special education classes. Okemah and Okfuskee County students are able to take advantage of **Wes Watkins Area Vo-Tech** in Wetumka, **OSU-Okmulgee** in Okmulgee, and **Gordon Cooper Vo-Tech** in Shawnee, all within 40 miles of Okemah.

Sixty percent of Okemah's graduates attend colleges and universities, and seven such institutions are within 86 miles of Okemah. They include **Seminole Junior College** (33 miles), **Oklahoma Baptist University** (40 miles), **University of Tulsa** (56 miles), **Oral Roberts University** (56 miles), **East Central University** (55 miles), **University of Oklahoma** (78 miles) and **Oklahoma State University** (86 miles).

7TH ANNUAL
Woody Guthrie
JULY 14-18, 2004 FOLK FESTIVAL
OKEMAH, OKLAHOMA

Click Picture Below to Enter

Artwork Courtesy of: www.woodyguthrie.com

This Festival is made possible by:

The **Woody Guthrie Coalition**, a not-for-profit; 501(C)3 organization.
Dedicated to preserving the life and music of
Woodrow Wilson Guthrie (1912-1967).

Any copyrighted material on these pages is used in "fair use" for the purpose of study, review or critical analysis only, and will be removed at the request of copyright owner(s).

Pete Seeger, June 1967:

When Woody Guthrie was singing hillbilly songs on a little Los Angeles radio station in the late 1930s,

he used to mail out a small mimeographed songbook to listeners who wanted the words to his songs,

On the bottom of one page appeared the following: "This song is Copyrighted in U.S., under Seal of

Copyright # 154085, for a period of 28 years, and anybody caught singin it without our permission, will

be mighty good friends of ourn, cause we don't give a dern. Publish it. Write it. Sing it. Swing to it. Yodel it.

We wrote it, that's all we wanted to do." W.G.
