Re: *Ex Parte* Presentation in MB Docket No. 04-63 (Digital Output Protection Technology Certifications: TiVoGuard Digital Output Protection Technology); MB Docket No. 02-230 (Digital Broadcast Content Protection)

Dear Ms. Dortch:

This is to notify the Office of the Secretary that on June 25, 2004, Linda Bloss-Baum of NBC Universal, Inc., Alicia Smith of The Smith-Free Group, Anne Lucey of Viacom, Inc., Lucy Calautti of Baker & Hostetler LLP, Fritz Attaway of the Motion Picture Association of America, Inc., and Jon Baumgarten and Bruce Boyden of Proskauer Rose LLP, made an *ex parte* presentation to the following Commission staff: from the Media Bureau, Rick C. Chessen, Susan A. Mort, William Johnson, Alison Greenwald, Steven Broeckaert, and Jonathan Gabrysch.

The presentation addressed issues raised by the certification of TiVo Inc. for the TiVoGuard Digital Output Protection Technology, including the necessity of proximity controls for technologies submitted during the interim certification proceedings. The presentation also addressed the need for authorized content protection technologies to respond to standardized system renewability messages.
