WT Docket No. 02-55

Dear Ms. Dortch:

This is to notify you that on June 30, 2004, Robert Dawson and Michael Rosenthal of Southern Communications Services, Inc., d/b/a Southern LINC, spoke with John Muleta and Aaron Goldberger of the Wireless Telecommunications Bureau via telephone concerning the above referenced proceeding. I also spoke by telephone with Aaron Goldberger and Michael Wilhelm of the Wireless Telecommunications Bureau concerning this proceeding. In both of these telephone conversations we discussed how Southern LINC and Nextel Communications could be accommodated in the 800 MHz band in the Southeastern part of the United States, in accordance with the discussion among the parties in our meeting of June 25th, 2004, which was outlined in our *ex parte* filing of June 30, 2004.

In accordance with the Commission's rules, one copy of this *ex parte* notice is being filed electronically for inclusion in the above-reference proceeding.

Very truly yours,

Christine M. Gill
