RE: File No. 00002 1649-7
Alee Cellular Communications, Wireless Telecommunications Bureau

Dear Ms. Salas:

On behalf of Alee Cellular Communications ("Applicant"), we are submitting additional information relating to the referenced renewal application submitted on September 8, 2000, for call sign KNKN27 1 ("Application"). The Application was submitted via the Commission's Universal Licensing System ("ULS"), as required by Section 1.913(b) of the Commission's rules, 47 C.F.R. § 1.913(b). The electronic form for renewal seeks minimal responses, and ULS did not permit Applicant to supplement or amend its renewal application to provide additional information or to attach an explanatory exhibit.

ULS restricts flexibility in providing additional information with renewal applications. Specifically, Applicant has not had an opportunity to respond to Question 45 of Main Form FCC Form 60 1. In an abundance of caution, Applicant is submitting this letter. In response thereto, Applicant refers to the Commission's CC Docket No. 91-142 and United States Court of Appeals (District of Columbia Circuit) Case No. 99-1460. Applicant is a party to the latter docket as the appellant, and was a licensee party in the Commission docket.

Please stamp as received the additional copy of this filing and return it to our courier.

If any questions arise, please contact the undersigned.

Very truly yours,

John P. Bankson, Jr.
