Dear Ms. Dortch:

On July 21, 2004, Leigh Chinitz of Proxim, Inc. and the undersigned met with Sheryl Wilkerson, Legal Advisor to Chairman Powell, to discuss the issue of the appropriate emissions mask to use for the 4.9 GHz public safety band, which is to be decided in the above-referenced proceeding. The Proxim position on this issue is set out in Proxim's *ex parte* letter filed on June 17, 2004.

Please direct any questions concerning this filing to the undersigned.

Respectfully submitted,
