Re: *AT&T Corp. Petition for Declaratory Ruling Regarding Enhanced Prepaid Card Services*, WC Docket No. 03-133

Yesterday, I spoke with Christopher Libertelli and Aaron Goldberger, Senior Legal Adviser and Counsel to the Chairman respectively, regarding the aforementioned dockets. The purpose of that discussion was related to AT&T's enhanced prepaid calling card services at issue in the aforementioned proceeding. Specifically, we discussed issues described in the attached document, which was also filed in this proceeding yesterday. All of the arguments made were consistent with AT&T's written submissions filed in that proceeding.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with the Commission's rules.

Sincerely,

Robert W. Quinn, Jr.
