RE: Appeal of the SLD Decision to cancel Funding Request Number# 1083396 from Form 471 # 396314.

CC Docket No. 02-6

This letter is to appeal a decision to cancel a FRN of a Kearney Public Schools form 471. Below is the relevant form information.

Funding Year: 2004 (July 1, 2004 – June 30, 2005)
The Funding Decision Commitment Letter is dated June 8th of 2004.
The billed entity name is Kearney Public School District
The form 471 number is 396314
The billed entity number is 138779

Kearney Public Schools received a Funding Decision Commitment Letter dated June 8th, 2004 stating in the decision "not funded" with the explanation "FRN canceled in consultation with the applicant".

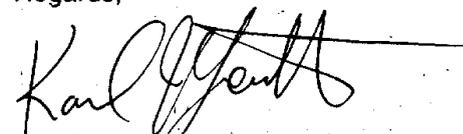

Kearney Public Schools did not request Funding Request Number# 1083396 from Form 471 # 396314 be cancelled. The SLD reviewed this case (reference case number 21-102341) and agreed with Kearney Public Schools that the district did not request the cancellation.

The SLD informed Kearney Public Schools, however, that the mistake made by the SLD could not be corrected by their organization and that it could only be correct by filing an FCC appeal.

Following the SLD direction, we ask in this appeal that the FRN 1083396 be reinstated and processed as soon as possible as this funding is critical to the district.

if you have any questions, please contact me at the numbers listed on this letter.
