WT Docket No. 04-70

Dear Ms. Dortch:

On July 26, 2004, David Charles, Tom Costello and the undersigned of Morrison & Foerster LLP, all on behalf of T-Mobile USA, Inc. ("T-Mobile"), conducted a telephone conference with staff representatives from the Wireless Telecommunications Bureau ("WTB"), the Office of Strategic Planning and Policy Analysis ("OSP") and the Office of General Counsel ("OGC"), including Chief Economist Martin Perry of OSP, John Branscome, Erin McGrath, and Susan Singer of WTB, and Joel Rubinovitz of OGC to discuss a July 16, 2004 information request submitted to T-Mobile in connection with the above-captioned proceeding. During the discussion, T-Mobile requested and was granted a short extension until close of business on August 4, 2004, to produce the information identified in the information request. T-Mobile also sought clarification of a number of the questions set forth in the information request.

Pursuant to section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed.

Sincerely,

/s/ Cheryl A. Tritt
