Re: USCC Response To Informational Request
Ex Parte, WT Docket No. 04-70

Dear Ms. Dortch:

On behalf of United States Cellular Corporation ("USCC"), pursuant to the request of John B. Muleta, Chief Wireless Telecommunications Bureau ("WTB"), and Martin K. Perry, Chief Economist of the Federal Communications Commission ("FCC") to Mr. James R. Jenkins, Vice President – Legal and External Affairs dated July, 16, 2004 (the "Informational Request"), we are writing to inform you that we have today delivered to the WTB a supplement to the response of USCC to the Informational Request originally provided on July 30, 2004. USCC is in the process of gathering additional information relevant to answer one additional subset of data required in the Informational Request for both the FCC and the Department of Justice, and will complete its response as soon as it obtains that information.

Pursuant to section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed.
