Re: Federal-State Joint Board on Separations
Ex parte communication in CC Docket Nos. 01-92/96-98,
99-68; ET Docket No. 04-295; WC Docket No. 04-36.

Read Ms. Dortch:

In accordance with the Commission's *ex parte* rules, 47 C.F.R. §§ 1.1200 *et seq.*, this letter is to transmit the text of a communication that was made by the state members of the Federal-State Joint Board on Separations to Chairman Michael K. Powell, Commissioner Kevin J. Martin, and Commissioner Michael J. Copps.

On May 27, 2004, the state members of the Federal-State Joint Board on Separations wrote a letter to the Federal members of the Joint Board addressing a number of issues, including scheduling future meetings among the full Joint Board and the possible referral of additional issues to the Joint Board. In this context, the letter included a statement that implicates the intercarrier compensation and Voice Over IP proceedings that are currently pending before the Commission. Specifically, the letter stated:

It is critical that we hold both meetings because it appears likely that a number of matters currently pending before the Commission may require referral to the Joint Board in the near future. As you are aware, 47 U.S.C. § 410(c) requires referral of "any proceeding regarding the jurisdictional separation of common carrier property and expenses between interstate and intrastate operations...." Several current topics - including, by way of example, intercarrier compensation and Voice Over the Internet - seem to involve jurisdictional separations and cost allocation issues.³

The May 27, 2004 letter did not make any other statements that raise *ex parte* issues.
