Dear Ms. Dortch:

This is to inform you that Tom McGarry, John Manning, and the undersigned, all of NeuStar, Inc. (NeuStar), met August 19, 2004 with Carol Matthey, Cheryl Callahan, Sanford Williams, Pam Slipakoff, Cathy Zima, Marilyn Jones, and Richard Lerner of the Wireline Competition Bureau and Jennifer Salhus of the Wireless Telecommunications Bureau to address questions regarding how porting and pooling is accomplished on a network basis between the Number Portability Administration Center, the public switched telephone network and providers of voice over internet protocol (“VoIP”) services. NeuStar also discussed how VoIP services obtain numbering resources and how those numbers are reported to the North American Numbering Plan Administrator via the Numbering Resource Utilization/Forecast process.

Respectfully submitted,
