**Re: Petition for rule making for proposed Channel 258A  
Daytona Beach Shores, Florida.**

**Dear Sirs:**

**This letter is in response to the Notice of Proposed Rule Making  
For Channel 258A, Daytona Beach Shores, Florida, dated June  
23<sup>rd</sup> 2004.**

**In the second paragraph there were two issues that the  
commission wanted to address before further consideration for  
allotment of Channel 258A. The first was tower site availability  
and the second was the question of Daytona Beach Shores  
qualifying as a community for allotment purposes.**

**The coordinates for the site that I used in my petition for  
allotment of Channel 258A is an existing tower. It is owned and  
operated by Public Radio Inc., WAPN FM, Holly Hill, Florida.**

**I spoke with Mr. Lund on the 13<sup>th</sup> of July, 2004, and he let me  
know that his tower was available. He will negotiate with me to  
lease space on his tower should I be successful in obtaining the  
C.P.**

No. of Copies rec'd

04-148

**Daytona Beach Shores qualifies for allotment for 2 reasons. The first and most important is that it is a city with no current local broadcast service. The second is that it is a fully autonomous city.**

**I am enclosing documents that I obtained from the City of Daytona Beach Shores website. It shows that Daytona Beach Shores is a thriving community of over 4,000 people.**

**Daytona Beach Shores has its own mayor, city council, finance director, and public safety director.**

**Daytona Beach Shores main industry is tourism boasting the lodging capabilities of over 30,000 visitors during the areas big events.**

**Daytona Beach Shores is also home of the Daytona Beach Shores Senior Center which is a community focal point. This Senior Center provides services and activities that reflect the communities experience and skills, and responds to the diverse needs and interests of the community.**

**As one of Daytona Beach Shores biggest organization, the Chamber of Commerce helps facilitate new business and economic growth in the community.**

**I have enclosed all pertinent documents with regard to Daytona Beach Shores qualifications as a community for allotment purposes.**

**I would like this letter to serve as notice of my request for the Federal Communications Commission to allocate channel 258A at Daytona Beach Shores as this communities first local broadcast service. When the Federal Communications Commission allocates channel 258A, Daytona Beach, Shores, I will file for the channel. Furthermore, if channel 258A is granted to me, I will construct, and operate channel 258A to serve the needs of Daytona Beach Shores.**

**If you have any further questions please call me at 407-304-4725,  
Work, or 407-804-9639, Home.**

**Respectfully,**

A handwritten signature in black ink, appearing to read "Carmine Tutera". The signature is fluid and cursive, with a large initial "C" and a long, sweeping underline.

**Mr. Carmine Tutera**

Daytona Beach Shores is located on a barrier island on the Atlantic Ocean. Just 5.5 miles long and a few hundred yards wide, the City features a pristine beach where famed race car drivers once vied to set world speed records.

The city has about 4300 residents, but can host 20,000 - 30,000 people during special events like Race Weeks and Bike Week.

Daytona Beach Shores is home to various attractions, including:

- The Court of Flags - a rotating display of 12 flags representing the national origins of Shores residents and highlighting the cultural diversity that unifies this country.
- Legends Walk of Fame - featuring bricks dedicated to famous car racing participants.
- Otto Schultze Memorial - a tribute to the late City Councilman that includes the seven flags used in automobile racing.
- A display of racing memorabilia in the Community Center.

The Daytona Beach Hilton Oceanfront Resort, located in the Shores, hosts the Auto Racing Hall of Fame with plaques honoring the great drivers and racing figures from the past.

## CITY COUNCIL

The City features a City Manager/Council form of government. Residents elect a five-member City Council to four-year terms. The council members are elected at large and represent the entire community. The Mayor is also elected, and serves as one of the five Council members and as chairman of the Council. The City Manager is selected by the Council members and is the City's chief administrator. That individual directs staff, carries out policies set by Council, and provides advice to the Council members, but does not vote. The City Manager serves at the pleasure of the City Council. The City Manager/Council form developed in the early 1900s in response to complaints about politics undermining good government. Daytona Beach Shores adopted this approach since 1970.

## PUBLIC SAFETY DIRECTOR - STEPHAN DEMBINSKY

The Public Safety Director is responsible for administrative & managerial work in directing and coordinating the City's Public Safety Department activities. Responsibilities include planning, development, and direction of a complete program of police and fire administration. The Director cooperates with State, County, and Federal officers in the apprehension of wanted persons and prepares reports to the National Safety Council, Federal Bureau of Investigation, Florida Department of Law Enforcement and State Fire Marshall.
