Re: ***Ex Parte Presentation***
ET Docket No. 00-258

Dear Ms. Dortch:

On August 27, 2004, I spoke via telephone with Paul Margie, legal advisor to Commissioner Cops and reiterated Verizon Wireless' position that the Commission not allocate the 1915-1920/1995-2000 MHz band ("H block") before testing has determined conclusively that operations in the H block will not result in harmful interference to existing wireless services.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

/s/ Donald C. Brittingham
