Re: MM Docket No. 00-167 and ET Docket No. 04-186

Dear Ms. Dortch:

Yesterday, Larry Walke and the undersigned of NAB met with Johanna Shelton to discuss children's television and unlicensed devices in the television broadcast bands in the above-referenced dockets. Specifically, we discussed additional children's television programming obligations, including the number of required programming hours, for broadcasters in a multicast digital television environment. Additionally, we briefly discussed current testing projects of unlicensed devices.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,
