Commissioner Adelstein:

I am very concerned about the amount of violence on television. I have 2 teenage children who are desensitised by the violent content on programs they watch.

I have noticed this trend among their friends also.

Sincerely,

Too much viewing on TV is vile and disgusting! I want to see programs that are worth my time and not an insult to my intelligence and sense of decency!

Commissioner Copps:

To Whom It Concerns:

I would like to voice my opinion about excessive violence on TV. Shows are becoming more violent and it seems to me more shows are showing more violence. It is my belief that children as well as adults are becoming desensitized to those around them because of the violence and rudeness shown on TV. Please consider steps to limit if not eliminate violence and rudeness on TV.

Sincerely,

Carol McDonald

I am a parent of a GREAT 16 year old girl. She has great morals and is very mature. However, we have always tried to encourage her not to watch any questionable TV programs that include violence.

I beleive that violence on TV can cause children to behave badly. I have seen this in some of my daughters freinds and aquantances.

Please vote to limit violence on TV.

Sincerely,

Ed Meilus
