Office of the Secretary

Dear Mr. Adams,

Per our conversation today I would like to request that Winstar Communication be required to extend their service to us until September 30, 2004. We have been contracted with a new carrier but have experienced delays in getting that service installed. We are willing to allow Winstar to discontinue service at an earlier date if we can get our replacement service in place.

Thank you for your consideration in this matter.

Jim Rohan
