Re: *Ex parte* communication in the matter of Applications for the Transfer of Control of Licenses from AT&T Wireless Services, Inc. to Cingular Wireless Corporation (in WT Docket No. 04-70)

Dear Ms. Dortch:

As you know, Mark Cooper, Director of Research at the Consumer Federation of America; Gene Kimmelman, Senior Director of Public Policy and Advocacy at Consumers Union; and I met with Commission staff on the above-referenced proceeding earlier this week (see *ex parte* filing submitted yesterday). We are providing the attached table to Walt Strack, Chief Economist of the Wireless Bureau, in response to his question on the stability of market shares in the wireless industry over recent years.

Sincerely,

Susanna Montezemolo
Policy Analyst
Consumers Union
