Re: Notice of Ex Parte Presentation: *In the Matter of AT&T Corp. Petition for Rulemaking To Reform Regulation Of Incumbent Local Exchange Carrier Rates For Interstate Special Access Services*, RM Docket No. 10593.

Dear Ms. Dortch;

On Wednesday, October 6, 2004, the Special Access Reform Coalition (SPARC) met with Jessica Rosenworcel and Paul Margie of Commissioner Copp's office to discuss concerns regarding special access pricing. SPARC members attending the meeting included: Brian Moir, counsel for eTUG; Douglass Jarrett of Keller and Heckman, counsel for the American Petroleum Institute; Patrick Merrick of AT&T Corp.; Mark Uncapher of ITAA, Jonathan Lee of Comptel; Marc Martin of Kirkpatrick & Lockhart, counsel for Nextel; and Kent Nakamura of Nextel. During the meeting, SPARC members urged the bureau to immediately address the ever increasing inflated special access rates of monopoly providers and take action consistent with SPARC's previous Ex Partes' in this proceeding. Materials already part of the record in this proceeding were discussed.

Consistent with the Commission rules, I am filing one electronic copy of this notice and request that it be placed in the record of the proceeding.

Sincerely,

Brian R. Moir
