Re: ET Docket No. 04-374 (by electronic filing)
Geophysical Survey Systems, Inc.,
Request for Waiver of Section 15.509(d) of the Commission's Rules

Dear Ms. Dortch:

On October 13, 2004, Geophysical Survey Systems, Inc. filed a request for waiver of Section 15.509(d). The Commission placed that request in the above-referenced docket by public notice today.

I am writing to correct a typographical error in the October 13 filing. Numbered paragraph 1 on page 3, states, "The equipment will also comply with Section 15.209(e) (on narrowband emissions in the GPS bands)." The reference should be to Section 15.509(e).

I apologize for any confusion.

Respectfully submitted,

Mitchell Lazarus
Counsel for Geophysical Survey Systems, Inc.
