Ex Parte Notice

Re: Carriage of Digital Television Broadcast Signals, CS Docket No. 98-120
(also CS Docket Nos. 00-96 and 00-2)

Dear Ms. Dortch:

Representatives of Comcast Corporation (“Comcast”) discussed must-carry issues with Stacy Robinson Fuller, Legal Advisor to Commissioner Abernathy, on October 14, 2004, and with Jordan Goldstein, Senior Legal Advisor to Commissioner Copps, as well as Catherine Bohigian, Legal Advisor to Commissioner Martin, and Elizabeth Andrion, Special Advisor to Commissioner Martin, on October 12. Comcast was represented at each meeting by James R. Coltharp, Chief Policy Advisor, FCC & Regulatory Policy, Comcast, and the undersigned.

The discussion in these meetings focused on information and analysis that has previously been presented on the public record. In particular, the discussion in all three meetings covered the material presented in Comcast’s submission of September 16, 2004. We also referenced arguments presented in Comcast’s submissions of October 16, 2003, and November 18, 2003. We conveyed copies of those and Comcast’s other written submissions in this docket.

Please let me know if you have any questions.

Respectfully submitted,

James L. Casserly
