

Dear Sirs, Please do not take away our radio station "Klove". It is a pleasure to listen to safe music. Now a days your rules and regulations have changed, and the music that is played on other stations is not family friendly. What about the shut ins that enjoy listening to Christian music and have no other way of getting it, but by the radio. Please do not let the "LPFM" take over our stations nation wide. Klove and her sister stations has really helped me in so many personal ways. Please, I know there is another way to come up with a better solution. Thank you for your time. Debbie
