

1. Air 1 radio station is the only positive music station that my family enjoys listening to on a daily basis. I support them financially each month. It is the only music station we listen to and the only one that actually comes in loud and clear.
2. The effect on the local community if Air 1 were to be displaced by an LPFM broadcast providing other programming.
3. My family would be extremely upset if we could no longer receive their signal.
