

Greetings,

I am writing to petition that a radio station in my area remain exempt from the LPFM changes, which would eliminate it.

I am served by this station in several ways:

1. It is a source of community information important to me, including national and local news, events in my area, and international news
2. It provides a radio station that is unlikely to be found offensive in any audience I deal directly with.
3. It is a personal encouragement, particularly as it relates to my faith.

The effect on the local community if K-Love were to be replaced:

1. Change in provider would not necessarily guarantee the above advantages
2. K-Love provides jobs locally

For the same reasons that I am served by K-Love it is in the public interest to remain an active station. Please keep K-Love 91.1 in my area on the air.

Sincerely,  
Drew Mathies
