

K-LOVE serves me as a resident of Va Beach because it's a family oriented radio station and I don't have to worry what my 11 year old is listening to. It's the primary station that my family listens to. I see K-LOVE stickers on cars everywhere so it's a radio station that is listened to by many people. It is an entirely encouraging radio station that is Christ centered. I have heard so many encouraging messages from listeners nationwide who listen to the station. In a world where it's difficult to find media (radio or TV) that is clean, I would be totally bummed to say the least if this radio station was not broadcast. There are plenty of less wholesome avenues that people can choose from and very little to choose from that families don't have to censor so please don't take K-LOVE away from families. Sincerely, Adrienne Hadder
