

K-LOVE radio is a very important part of our community. I am involved with the teens at our church and many of them along with many adults depend on K-LOVE radio for christian music to worship with. At this time the signal is so weak, that I can only get this station in two rooms in my home and in my vehicle. It would be a disaster to me and many others to lose this station. I believe that the service provided by K-LOVE is in the public interest because this is one of the only places that we can get good christian music and the positive messages and teachings that are provided by K-LOVE radio. Please don't allow this station to be replaced by LPFM in my area!!!!!!
