The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming: If we were to lose K-LOVE there wouldnt be that oppertunity to listen to the engouraging and uplifting music and to be given opertunities to spread the word of gods love. People would be wondering what their kids were listening to they wouldn't have the reassurance that K-LOVE offers to the community. K-LOVE is played everywhere at home, in the car, at work. K-LOVE sends an important message to everyone that listens to that station. Whether they know it or not. They may not regularly listen to that station but their subconsciousness will pickup on the encouraging words that are always there in the music and the testimony. If K-LOVE was replaced the community would lose a very helpful and popular station of kids and adults of all ages. Its not always easy to put into words how you feel and what you need but K-LOVE offers that reassurance that you don't always have to say it you can listen to K-LOVE and feel an inner peace and calmness settle in and relaxes you. It uplifts your spirit and your mind.

Why you believe that the service provided by K-LOVE is in public interest: K-LOVE services are very important to the public in more ways than we can mention. There are alot of people out there who have a testimony about how K-LOVE has helped them and their families. Its a safe and reliable station that you can turn on anytime anywhere and know what they are playing and saying is safe for anyone of any age. Just listening to the words of the songs they play uplift people and put them in a better mood or frame of mind. They play such a wide varitey of music to satisfy people of any age. They blend the older songs in with the newer ones to provide a well rounded presentation of music, testimony and knowledge. K-LOVE makes it easy to let people that are unsure of where they are to come and ask questions or just to listen a little more to start with. Music is a very good way to reach people. When you have it playing the people that hear it even if they may not know it it plants a seed in there mind and they have it with them for the rest of the day or longer.

It would be a great disservice if you were to remove K-LOVE from the air. They have helped so many people. They are there anytime you need someone to talk to, pray with or whatever the case maybe. They are one of the very few no questions asked safe and reliable stations that we have. We would be lost without them. They provide so many services to so many people. They provide it with no demands no requirements. They just want people to listen to them and be uplifted and encouraged by the services they offer. They are safe for kids and adults with no worries. Don't take K-LOVE off the air.
