

My family and many others members of our community and church listen to Air 1 Radio which in our area is 89.5. It is awesome CHRISTian music and teachings throughout the day. It is wholesome family music. The los of Airl if it was replaced by LPFM would be devastating as we would have no choice for any other over the air CHRISTian programming. Airl provides an alternative to the nasty gangbangng secular music that is normally available. Please dont allow this great family oriented programming to be lost by these LPFM...please contact me if you have any questions.
