***Re: CG Dkt. 02-386; Rules and Regulations Implementing Minimum
Customer Account Record Exchange Obligations on all Local and
Interexchange Carriers***

Dear Ms. Dortch,

On October 28, 2004, the undersigned and Ron Pate of BellSouth met with Jay Keithley and Erica McMahon of the Consumer and Governmental Affairs Bureau. Rob Layton of BellSouth participated via conference call.

During the meeting BellSouth discussed the need for information exchange requirements for local-to-local carrier changes and noted that the issue has already been raised in a number of regulatory proceedings by both ILECs and CLECs. BellSouth urged the Commission to expeditiously issue a Further Notice of Proposed Rulemaking in the above docket in order to develop a complete record to support the adoption of minimum standards.

This notice is being filed pursuant to Sec. 1.1206(b)(2) of the Commission's rules. If you have any questions regarding this filing please do not hesitate to contact me.

Sincerely,

Mary L. Henze
